W. Dixon,2017 This volume focuses on the form and the function of commands directive speech acts such as pleas entreaties and orders from a typological perspective Authors analyse the marking and meaning of commands in a range of typologically diverse languages on the basis of extensive fieldwork and in a way that allows useful comparison

Translating Worlds Carlo Severi,William F. Hanks,2015-12-15 Set against the backdrop of anthropology s recent focus on various turns whether ontological ethical or otherwise this pathbreaking volume returns to the question of knowledge and the role of translation as a theoretical and ethnographic guide for twenty first century anthropology gathering together contributions from leading thinkers in the field Since Ferdinand de Saussure and Franz Boas languages have been seen as systems whose differences make precise translation nearly impossible And still others have viewed translation between languages as principally indeterminate The contributors here argue that the challenge posed by the constant confrontation between incommensurable worlds and systems may be the most fertile ground for state of the art ethnographic theory and practice Ranging from tourism in New Guinea to shamanism in the Amazon to the globally ubiquitous restaurant menu the contributors mix philosophy and ethnography to redefine translation not only as a key technique for understanding ethnography but as a larger principle in epistemology **Extremophilic Fungi** Sanjay Sahay,2022-04-22 This contributory volume is a comprehensive account of recent research on extremophilic fungi It brings to the readers latest information on all categories of extremophilic fungi their isolation culture and potential applications The book aims at providing the

audience in depth and updated theoretical concepts also application on the field It will serve as a supplementary reading material in addition to basic mycology textbooks The book fills the gap in literature and will be useful to the postgraduate students and researchers in the field of mycology agriculture biotechnology and Microbiology
