The three devis are forms of Shakti and consorts of the three gods but aren't the Tridevi superior to the Trimurti. Did the Devi come before the Bhagvan or after? Can it be true that without Shakti Shiva is dead? Finding the feminism in spirituality, Devdutt shows us the intrinsic balance built into Hindu scripture and culture through our goddesses. Annapurna shows Shiva that no matter how ascetic even sages need food to eat and that there is greatness in feeding the hungry. Durga showed Shiva that a monster that cannot be killed by a deva or asura might be killed by a woman. Instead, Saraswati and Laxmi, knowledge and wealth, are the fruit of labour born of desire. Find out more about an ancient tradition of venerating the female in a natural equality in this short and sweet read from Devlok. **The Power of Shakti** Padma Aon Prakasha, 2009-07-24

Transformational wisdom designed for both women and men to access and enhance the inner power of the Divine. Reveals how to activate your sacred sexual self and find your soul mission. Shows how to access the wisdom of the Galactic Center. Explains why men need the Shakti Circuit to connect with the Divine Masculine. Shakti is the Divine life force that ceaselessly manifests, creates and activates. Igniting this living power within is the key for both men and women to transform themselves and attain union, harmony and peace. The fluid intelligence of Shakti enflames, empowers and awakens, igniting life force, joy and organic wisdom within. Uniting the forms of Tantra Yoga found in Indian, Tibetan and Aramaic sacred traditions. Padma Aon Prakasha reveals how to activate the power of Shakti by opening the 18 energetic pathways of the Shakti Circuit. The Circuit begins with galactic energy entering the body at the Alta Major chakra located at the back of the head. Traveling down the pillar of the spine through the root chakra, the Circuit passes through the Seven Gates of the Womb Grail to link the sacred sexual center and the heart center. From the heart, the energy completes the Circuit by traveling to the third eye and back to the Alta Major starting point to reveal the All-seeing eye. Centered on the womb in women and the hara in men, the Shakti Circuit links the soul, body, mind, emotions and chakras to the power and loving wisdom of the Galactic Center. The Power of Shakti includes the insights and experiences of both men and women as they activate the power of Shakti and shows that clearing all 18 pathways of the Shakti Circuit enables us to activate our sacred sexual self and find our soul mission.
