

## **Pentecost**

**Better a jungle in the head  
than rootless concrete.  
Better to stand bewildered  
by the fireflies' crooked street;**

**winter lamps do not show  
where the sidewalk is lost,  
nor can these tongues of snow  
speak for the Holy Ghost;**

**the self-increasing silence  
of words dropped from a roof  
points along iron railings,  
direction, in not proof.**

**But best is this night surf  
with slow scriptures of sand,  
that sends, not quite a seraph,  
but a late cormorant,**

**whose fading cry propels  
through phosphorescent shoal  
what, in my childhood gospels,  
used to be called the Soul.**

*Derek Walcott*

**Thomas Percy, Henry Benjamin  
Wheatley**

## **Shape Poem Pentecost:**

*Pentecostal Public Theology* Simo Freestadius, Mark J. Cartledge, 2024-07-11 This is the first academic work to focus explicitly on Pentecostal public theology in Europe Following a growing interest in understanding Pentecostal beliefs and practices with respect to the public sphere this book shifts the focus of Pentecostal engagement with politics society and culture from the Global South and North America to Europe This work also discusses themes such as Pentecostal public values identity nationalism poverty democracy education race and political engagement in the context of European Pentecostalism The book provides an historical overview by bringing together various European voices to discuss the current challenges and possible trajectories for Pentecostal public theology in a constructive fashion With contributions from leading and emerging European Pentecostal and Charismatic scholars this book is a must for scholars interested in understanding Pentecostal beliefs and practices in the public sphere in a European context

**The Shapes of Early English Poetry** Eric Weiskott, Irina Dumitrescu, 2019-04-01 This volume contributes to the study of early English poetics In these essays several related approaches and fields of study radiate outward from poetics including stylistics literary history word studies gender studies metrics and textual criticism By combining and redirecting these traditional scholarly methods as well as exploring newer ones such as object oriented ontology and sound studies these essays demonstrate how poetry responds to its intellectual literary and material contexts The contributors propose to connect the small syllables words and phrases to the large histories emotions faiths secrets In doing so they attempt to work magic on the texts they consider turning an ordinary word into something strange and new or demonstrating texture difference and horizontality where previous eyes had perceived only smoothness sameness and verticality

*Passover, Pentecost and Parousia*, 2019-05-21 Dr R Hollis Gause has been Professor of Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup

*The Arts and the Bible* Stanley E. Porter, Wendy J. Porter, 2024-01-04 Throughout its history the Christian church has had a troubled relationship with the arts whether literature poetry music visual arts or other forms of artistic expression This volume is not designed to resolve the issues but it is designed to present a number of different statements about various dimensions of the arts in their relationship to the Bible The Bible is the document that stands behind the Christian church as an inspiration to it and to its arts As a result we have divided this volume into six parts perspectives on the arts culture and art visual enactments contemporary interpretations music and the Bible and literature Many of the issues that the history of the interaction of the arts and the Bible within the Christian church has uncovered are

insightfully and artfully addressed by this book The wide range of contributors runs the gamut from practicing artists of various media to scholars within varied academic fields

**T. S. Eliot's Dialectical Imagination** Jewel Spears

Brooker,2018-11-15 What principles connect and what distinctions separate The Love Song of J Alfred Prufrock The Waste Land and Four Quartets The thought tormented characters in T S Eliot s early poetry are paralyzed by the gap between mind and body thought and action The need to address this impasse is part of what drew Eliot to philosophy and the failure of philosophy to appease his disquiet is the reason he gave for abandoning it In T S Eliot s Dialectical Imagination Jewel Spears Brooker argues that two of the principles that Eliot absorbed as a PhD student at Harvard and Oxford were to become permanent features of his mind grounding his lifelong quest for wholeness and underpinning most of his subsequent poetry The first principle is that contradictions are best understood dialectically by moving to perspectives that both include and transcend them The second is that all truths exist in relation to other truths Together or in tandem these two principles dialectic and relativism constitute the basis of a continual reshaping of Eliot s imagination The dialectic serves as a kinetic principle undergirding his impulse to move forward by looping back and the relativism supports his ingrained ambivalence Brooker considers Eliot s poetry in three blocks each represented by a signature masterpiece The Love Song of J Alfred Prufrock The Waste Land and Four Quartets She correlates these works with stages in the poet s intellectual and spiritual life disjunction ambivalence and transcendence Using a methodology that is both inductive moving from texts to theories and comparative juxtaposing the evolution of Eliot s mind as reflected in his philosophical prose and the evolution of style as seen in his poetry Brooker integrates cultural and biographical contexts The first book to read Eliot s poems alongside all of his prose and letters T S Eliot s Dialectical Imagination will revise received readings of his mind and art as well as of literary modernism

*Karl Barth and Pentecostal Theology* Frank D. Macchia,Terry L. Cross,Andrew K. Gabriel,2024-02-08

The essays in this volume evaluate and build on Barth s theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth s mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth s dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology

**The Space That Remains** Aaron Pelttari,2014-09-08 In The Space That

Remains Aaron Pelttari offers the first systematic study of the major fourth century poets since Michael Robert's foundational *The Jeweled Style*. It is the first book to give equal attention to both Christian and Pagan poetry and the first to take seriously the issue of readership. As Pelttari shows, the period marked a turn towards forms of writing that privilege the reader's active involvement in shaping the meaning of the text. In the poetry of Ausonius, Claudian, and Prudentius, we can see the increasing importance of distinctions between old and new, ancient and modern, forgotten and remembered. The strange traditionalism and verbalism of the day often concealed a desire for immediacy and presence. We can see these changes most clearly in the expectations placed upon readers. The space that remains is the space that the reader comes to inhabit, as would increasingly become the case in the literature of the Latin Middle Ages. *The Collected Poems of A. S. G. Richardson*, Ingrid Frank, 2013-02-04. *Ai* is a truth-teller picking her way through the burning rocks of racial and sexual lies. Joy Harjo. Before her untimely death in 2010, *Ai*, known for her searing dramatic monologues, was hailed as one of the most singular voices of her generation. *New York Times Book Review*. Now, for the first time, all eight books by this essential and uniquely American poet have been gathered in one volume. *The Cockfighter's Daughter*. I found my father face down in his homemade chili and had to hit the bowl with a hammer to get it off, then scrape the pinto beans and chunks of ground beef off his face with a knife.

*The Narrative Practitioner*, Laura Beres, 2014-07-04. This book provides a guide to narrative theory and practice, a form of therapy which views people as the experts on their own lives. Rooted in the ideas of Michael White and David Epston from the famous Dulwich Centre, it offers a rich source of thinking and techniques for counsellors, psychotherapists, social workers, and others working in the people professions. Based on the author's teaching practice and research experience, this book provides a bridge between theory and the basic principles and methods of narrative therapy. The book assists the reader in implementing the key ideas and techniques into everyday practice contexts with the support of real-life case studies and conversation maps. Uniquely, it covers important subjects such as ethics and values, supervision, and self-care. *Roman Pentecost*, Ian Davie, 1970.

**Renewal Worship**, Steven Félix-Jäger, 2022-09-06. Theologian Steven Félix-Jäger offers a theology of renewal worship, including its biblical foundations, how its global nature is expressed in particular localities, and how charismatic worship shapes the community of faith. With this guidance, the whole church might better understand what it means to pray, "Come, Holy Spirit." *Living the Christ Life*, Louise Mangan, Nancy Wyse, Lori Farr, 2001. This valuable program resource for clergy, worship planners, and lay leaders offers practical tools for celebrating the Christian year at church, home, or school. Organized around the cycles of Christmas and Easter, it provides activities, craft ideas, prayers, meditations, and ways to encounter scripture. Background information to origins of festivals, colors, symbols, and art of the various seasons will help you deepen your understanding and experience of Christian faith. Indexed by scripture reference and theme. Includes a glossary. Permission to photocopy portions of text and prayers for use in worship services. **Rhyme and Reason**, Neil Harding McAlister, 2006. **Divine Mysteries and the Christian Year**, S. T. Kimbrough Jr., 2023-08-03. This book includes

brief explanations of the primary emphases of the Christian or liturgical year as observed in Christian churches in the East and West Following brief descriptions of the primary periods of the Christian year poems highlight the diverse theological emphases They punctuate the scriptural background and theological ideas with appropriate prayers Though there are differences between the liturgical calendars of Western and Eastern Christianity many of the emphases are in concert with one another though dates may vary In some Protestant churches the primary events in the life of Christ are celebrated without strict adherence to a liturgical calendar The poems included here emphasize how the celebration of the festivals of the Christian year address the divine mysteries that followers of Christ seek to understand through worship and study every year and what it means to observe the Christian liturgical year To enhance the use of the volume by clergy and worship leaders the final section includes at least one musical setting of a poem or text for the primary events of the Christian year

The Bible Album; Or, Sacred Truth Illustrated by the Poets. Being Poems Illustrative of Holy Scripture, Selected by H. W. D. With Fifty-six Pictures, Printed in Tints by E. Evans Henry William DULCKEN, 1863      Reliques of ancient English poetry. by T. Percy, ed. by J. V. Prichard English poetry, 1876      **Reliques of ancient English poetry, by T. Percy, ed. by H. B.**

**Wheatley** English poetry, 1877      **Reliques of Ancient English Poetry: Book the first[-third** Thomas Percy, Henry Benjamin Wheatley, 1910      *Reliques of ancient English poetry, by T. Percy. Repr. entire from the author's last ed. With memoir and critical dissertation, by G. Gilfillan* English poetry, 1877      **Poetry After Barbarism** Jennifer

Scappettone, 2025-10-14 Against a backdrop of xenophobic and ethnonationalist fantasies of linguistic purity Poetry After Barbarism uncovers a stateless polyglot poetry of resistance the poetry of motherless tongues Departing from the national and global paradigms that dominate literary history Jennifer Scappettone traces the aesthetic and geopolitical resonance of xenoglossic poetics poetry composed in the space of contestation between national languages concretizing dreams of mending the ruptures traced to the story of Babel As global migration aerial bombardment and the wireless telegraph shrank distances with brute force during the twentieth century visions of transcultural communication emerged in the hopes of bridging linguistic difference At the same time evolving Fascist ideologies denied the reality of cultural admixture and the humanity of the stranger Authors who write xenoglossic verse occupy languages without a perceived birthright or sanctioned education they compose in ecstatic orphan tongues that rebuff nationalist ideologies on the one hand and globalization on the other uprooting notions of belonging ensconced in nativist metaphors of milk blood and soil while rendering the reactionary category of the barbarian obsolete Raised within or in the wake of fascism these poets practice strategic forms of literary and linguistic barbarism proposing modes of collectivity that exceed geopolitical definitions Studying experiments between languages by immigrant refugee and otherwise stateless authors from Baroness Elsa von Freytag Loringhoven to Emilio Villa Amelia Rosselli Etel Adnan LaTasha N Nevada Diggs Chika Sagawa and Sawako Nakayasu this book explores how poetry can both represent and jumpstart metamorphosis of the shape and sound of citizenship modeling paths toward alternative

republics in which poetry might assume a central agency

## Whispering the Strategies of Language: An Mental Journey through **Shape Poem Pentecost**

In a digitally-driven earth where monitors reign great and quick communication drowns out the subtleties of language, the profound secrets and mental nuances hidden within phrases usually get unheard. Yet, set within the pages of **Shape Poem Pentecost** a charming fictional treasure sporting with raw emotions, lies a fantastic quest waiting to be undertaken.
