Training organizations requiring a training manual to run their own training courses. This book is a PMI Approved course and instructors' PowerPoint slide shows are available to training organizations. PMI REPs may apply to have this course licensed to them and award 14 PDUs to each attendee. This book is written by an experienced scheduler who has used the software at the sharp end of projects and is not a techno. It draws on the author's practical experience in using the software in a wide variety of industries.
