Leadership, Management and Team Working in Nursing Shirley Bach, Peter Ellis, 2011-07-12 Leadership management and team working have become central to the role of the nurse as recognised in the latest NMC standards for education This book assists students in meeting the NMC requirements and helps them apply recent leadership

and management theory to the nurse's role. It explores students' current perceptions and concerns giving practical guidance for immediate challenges the new nurse will face: team working, delegation, conflict management and negotiation. It then considers staff development and motivation, mentoring, supervising and creating a learning environment. Later chapters explore more complex aspects such as management theory, recruitment, risk management and managing change. Global Standards 6th Edition Van Haren Publishing, 2025-05-23. Leadership: Leaders, Followers, Environments (Second Edition) Laura Gail Lunsford, Art Padilla, 2022-07-20. Leadership is more than a being a leader. This textbook presents a holistic and readable overview of leadership. The dynamics of leadership involve leaders, followers and their environments, the organizational contexts within which leading and following take place. This triangle approach illustrates a more comprehensive view of leadership by focusing on all three dynamics. Students benefit from taking the evidence-based inventories to learn more about their leadership preferences. Six in-depth case studies add to the textbook and invite students to explore the application of leadership theory to practice. Each chapter ends with key terms, comprehension questions and class activities. Chapters in this book draw on contemporary research and mini cases to engage students in learning about themes of leadership focused on topics such as ethics, effective communication, teams, mentoring and toxic leadership. This book features integration of the case studies in the chapters along with updated literature and mini cases. Chapter summaries, test banks, sample syllabi and slide decks designed by the authors are a new addition for instructors. Authority, Ascendancy, and Supremacy Gregory O. Hall, 2013-11-12.
