"The presentation of the theme of identity is what draws the reader in" Explore the methods by which writers develop the theme of identity in the light Of this Statement. In Jane Statute's novel *Pride and Prejudice*, there is a strong sense of identity in certain characters in the novel. Elizabeth has a high understanding of her own views and opinions, which often contrast with those around her "She had always felt that Charlotte opinion was not exactly like her own".

However, other characters seem to have inflated self-regard, which causes the other harassers to behave differently to them, Lydia shows no remorse for the disgrace and pain she put her family under "But you know married women have never much time for writing. May my sisters write to me. They will have nothing else to do. In *Pride and Prejudice*, Jane Austin shows Elizabeth grow as a character, away room her intolerant attitude at the beginning of the novel, to her open- minded nature after she discovers the truth about Mr. Dairy. Austin often conveys Elizabethan thoughts to the reader through the use of free indirect speech. Elizabethan progression as a character shows hat she obtained a clearer understanding of not only her own identity but of others. However, Elizabeth has always been portrayed to have a strong sense of individuality when it comes to conventions, showing her sense of identity. When Mr. Collins; her pompous, self-important cousin, proposes to her, Elizabeth has no apprehensions in declining the proposal, much to her mothers dismay. "You could not make me happy, and I am convinced that I am the last woman in the world who would make you so. Mr. Collins is shown to be a character whose idea of their own identity is portrayed differently to hat those around him think Of him to be, "not a sensible man, and the deficiency of nature had been but little assisted by education or society". Mr.. Dairy is shown to experience a growth in self- knowledge throughout the novel. Initially full of pride, the reader gets information from Mr.. Darers perspective primarily through dialogue. "She is tolerTABLE, but not handsome enough to tempt me".

The fragments of information that Austin allows the reader to obtain from Dairy, initially shows him as how Elizabeth saw him, to be rigid, self-righteous and antisocial. However as the n
