Primary Comprehension Toolkit Lesson Plans:

Monitor Comprehension with Primary Students Anne Goudvis, Stephanie Harvey, 2010-08-10 Children are eager to find out what's in the world and how it works. Kids are ready to work hard not because we motivate them but because they want to know stuff. As teachers we can draw on all the curiosity energy and comprehending experience that kids bring to school and we systematically link it to the skills and strategies that more experienced learners use. People too often underestimate what primary kids can do. But in *The Primary Comprehension Toolkit* we start high and go higher. Stephanie Harvey lives from the classroom video footage and slideshows of an active literacy classroom and strategy instruction in science and social studies. Video clips are free for 6 months upon registration. You must register within 6 months of purchase. Learn more about these resources and the Toolkit series at www.comprehensiontoolkit.com. Lesson planning in line with the new Primary National Curriculum. Why do we teach children to read? It is not merely to decode the words. We teach them to derive meaning from the text to comprehend it. To not just read the lines but to read between the lines and even read beyond the lines. So how can you make teaching comprehension in primary schools effective and engaging? How are you ensuring that children are finding meaning in what they read and how do we support more able readers to learn more? What does a good reading lesson look like? This book demonstrates the effective teaching of reading through exemplar lessons. It discusses what makes them good, lesson plans, and how they can be adapted to suit different classes and different schools. In particular, this book helps you to meet the needs of more able readers, particularly in years 5 and 6, outlining ways to challenge more able pupils to support

them with the level 6 tests in Year 6 It helps you to cultivate your subject knowledge and invigorate your classroom teaching through focusing on what children need to learn and how to teach it Did you know that this book is part of the Lessons in Teaching series WHAT IS THE LESSONS IN TEACHING SERIES Suitable for any teacher at any stage of their career the books in this series are packed with great ideas for teaching engaging outstanding lessons in your primary classroom The Companion Website accompanying the series includes extra resources including tips lesson starters videos and Pinterest boards Books in this series Lessons in Teaching Grammar in Primary Schools Lessons in Teaching Computing in Primary Schools Lessons in Teaching Number and Place Value in Primary Schools Lessons in Teaching Reading Comprehension in Primary Schools Lesson in Teaching Phonics in Primary Schools [Staff Development with the Comprehension Toolkits](#) Stephanie Harvey, Anne Goudvis, Angela Butler, 2011 This staff development resource helps coaches and administrators maximize teacher effectiveness through collaborative and collegial staff development Stephanie Harvey Anne Goudvis and Angela Butler Schroden Teachers matter Effective comprehension instruction is more than a handful of reading strategies As critical as these strategies are Stephanie Harvey and Anne Goudvis have long held that it is the teacher who makes the difference Staff Development with The Comprehension Toolkits builds on this understanding in a unique collaboration with Angela Butler Schroden the district reading specialist who helped implement The Comprehension Toolkit series across Hillsborough County Florida one of the largest school districts in the United States Designed for literacy coaches reading specialists and administrators this multimedia resource offers an insider's view of how Angela and others in her district supported teachers as they launched comprehension instruction and sustained active literacy practices Framed around five coaching structures workshops study groups demonstration teaching co teaching and one to one coaching each of the seven core chapters describes how to plan staff development around the foundational ideas and practices that shape Toolkit instruction The accompanying CD ROM provides all the tools you'll need to implement effective coaching sessions including three customizable PowerPoint presentations While providing a collaborative forum to explore the whats and whys of The Comprehension Toolkit the professional development practices in this resource serve as analytical tools and frameworks for enhancing teaching craft Learn more about the Comprehension Toolkit series at [ComprehensionToolkit.com](#) The Comprehension Toolkit series helps you teach nonfiction reading strategies in a variety of instructional settings Whole Group Instruction Grades K 2 The Primary Comprehension Toolkit Grades K 2 The Primary Comprehension Toolkit Bundle includes Trade Book Pack Grades 3 6 The Comprehension Toolkit Grades 3 6 The Comprehension Toolkit Bundle includes Trade Book Pack Small Group Instruction Grades K 2 Small Group Lessons for The Primary Comprehension Toolkit Grades 3 6 Small Group Lessons for The Comprehension Toolkit Short Nonfiction for Guided Reading and Independent Practice Grades PreK 1 Toolkit Texts Grades 2 3 Toolkit Texts Grades 4 5 Toolkit Texts Grades 6 7 Toolkit Texts ELL Support Grades K 2 Scaffolding The Primary Comprehension Toolkit for English Language Learners Grades 3 5 Scaffolding The Comprehension Toolkit for
