Primary Professional Military Education Answers:

Professional Military Education United States. Congress. House. Committee on Armed Services. Panel on Military Education,1992 This document reports the oral and written statements of persons who testified at congressional hearings on the subject of professional military education Witnesses included members of Congress active and reserve military officers from various branches of the armed services and supervisors of the services military colleges Testimony presented by Paul L Jones Director of Defense Force Issues at the U S General Accounting Office indicated that the military s professional schools had responded favorably in implementing previously made recommendations of a Congressional panel concerning phase 1 of joint professional military education Other witnesses addressed questions about lines of promotions for officers the need for more officers student qualifications for admittance to the schools and for promotion curriculum reform and school requirements KC Report of the Panel on Military Education of the One Hundredth Congress of the Committee on Armed Services, House of Representatives United States. Congress. House. Committee on Armed Services. Panel on Military Education,1989 Investing in Our Military Leaders United States. Congress. House. Committee on Armed Services. Oversight and Investigations Subcommittee,2010 **The Management of Security Cooperation** ,2017 *Nominations Before the Senate Armed Services Committee, First Session, 109th Congress* United States. Congress. Senate. Committee on Armed Services,2007 Air University Abstracts of Research Reports ,1984 Educating International Security Practitioners: Preparing to Face the Demands of the 21st Century International Security Environment James M. Smith,2001

The authors examine the challenges of the 21st century international security environment to which future strategic leaders and policy practitioners will need to respond More specifically they offer the reader insights into security studies and leadership development at their respective levels military undergraduate civilian undergraduate traditional and nontraditional graduate and senior military officer and institutions including research centers and professional outreach programs The goal is to inform a broader audience about what is currently being done in the way of educating strategic practitioners at these various institutions and what might need to be done differently or better **The Academic-Practitioner Divide in Intelligence Studies** Rubén Arcos,Nicole K. Drumhiller,Mark Phythian,2022-04-14

Internationally the profession of intelligence continues to develop and expand So too does the academic field of intelligence both in terms of intelligence as a focus for academic research and in terms of the delivery of university courses in intelligence and related areas To a significant extent both the profession of intelligence and those delivering intelligence education share a common aim of developing intelligence as a discipline However this shared interest must also navigate the existence of an academic practitioner divide Such a divide is far from unique to intelligence it exists in various forms across most professions but it is distinctive in the field of intelligence because of the centrality of secrecy to the profession of intelligence and the way in which this constitutes a barrier to understanding and openly teaching about aspects of

intelligence How can co operation in developing the profession and academic study be maximized when faced with this divide How can and should this divide be navigated The Academic Practitioner Divide in Intelligence provides a range of international approaches to and perspectives on these crucial questions **The DISAM Journal of International Security**
