Primary School Staff Meeting Agenda

Les Bell

Primary School Staff Meeting Agenda:

Primary School Leadership in Context Geoff Southworth, 2004 In this important new book Geoff Southworth a leading researcher in headship specifically addresses how school size impacts on the role of the headteacher **Teaching and Learning in the Primary School** ANDREW POLLARD, Jill Bourne, 2002-09-26 This key sourcebook highlights important current topics and debates in primary education and provides practical insights into meeting the challenges of primary teaching **Managing the Primary School** Tim Hill, 2018-05-11 Originally published in 1989 This book which was one of the first to take account of the recommendations of the Education Reform Act which came into effect in September 1988 provides a practical overview of primary school management from resources which include staff space equipment and finance to relationships with outside bodies governors parents teachers children and non teaching staff **Management Skills in Primary Schools** Les Bell, 2018-05-11 Originally published in 1988 The qualities that identify a good school are high teaching standards and teacher morale good levels of behaviour successful pupil performance and a well balanced provision of extra curricular activities Such schools are described as well run but the correlation between effectiveness and an explicit management strategy is not yet established This book seeks to examine the role of management in the primary school and to identify those areas in which effective management practice can make a valuable contribution to school life for the benefit of both staff and pupils It argues that although useful insights can be gained into school organisation from the scientific management perspective the human relation approach to management has more to offer to those working in the primary sector The focus is therefore on personal relationships The importance of a clear sense of purpose is emphasised throughout especially in view of the challenges which now face our primary schools **Senior Management Teams in Primary Schools** Lynda Huckman, Michael Wallace, 2005-08-17 Recent years have seen dramatic developments in the way schools are structured and much greater emphasis placed on managing your school effectively Every education professional knows how demanding these new methods can be but they can also reinforce a sense of purpose and control Senior Management Teams in Primary Schools looks at how positive teamwork can be achieved within your school and illustrates the benefits it brings Most teachers involved in managing their school will recognise the situations detailed in the case studies contained in the book the forceful head the overworked middle managers the meetings that try to wade through the mountains of administration that face the modern teacher You will find practical advice clear guidelines case studies from schools that are involved in the process of good practice This book will organise you in your approach and ensure that you reap the benefits of teamwork while avoiding the pitfalls **The Skills of Primary School Management** Les Bell, 2002-01-04 This book is for all teachers who have curriculum and management responsibilities in primary schools or who aspire to those positions It provides an analysis of those responsibilities and of how they may best be exercised in the changing climate of primary education It takes account of the many radical policy changes that have influenced the management of primary

schools since 1988 Above all it offers practical guidelines on which effective strategies for managing primary schools may be based while recognising that good management is not an end in itself **Readings in Primary School Development** Geoff Southworth,1994 Managing Staff Development in Schools Pamela Lomax,1990 This book contains accounts written by teacher researchers who were using action research to improve management practices in their schools and colleges particularly in relation to the development of staff in schools **Surviving and Succeeding in Senior School Management** Paul Blum,2006-10-03 This lively practical account explores the vital aspects of the assistant or deputy headteacher s role which often means playing piggy in the middle to a variety of school stakeholders including the headteacher other senior managers the teaching staff parents and local authority advisors governors and pupils The author gives practical tips on how to organise yourself well when the pressure to perform multiple tasks simultaneously is high such as how to lead and manage major strategic changes do a good presentation to staff on a training day and give a rogue pupil an effective telling off The book also covers how to apply for a senior management job and successfully get through the stringent written selection criteria and complex interview process This is a highly informative text for any aspiring subject leader or middle manager in the primary or secondary sector It will also be of interest to existing senior managers who want to reflect on the way they are doing their job already **An Essential Guide to Improving Attendance in your School** Ken Reid,2013-11-07 In this engaging book Professor Ken Reid focuses on the needs of school professionals and leaders providing them with workable achievable solutions to radically reducing their truancy rates As well as discussing the importance of regular attendance and the importance of sound leadership Professor Reid provides A highly effective whole school strategy for use in both primary and secondary schools Checklists on good practice Early intervention strategies Advice on using attendance panels Guidance on effective monitoring schemes Supporting throughout with case studies sample letters reports attendance calendars and action plans this book will be an essential staff room resource for head teachers deputy head teachers teachers and any educational professional eager to raise standards for all How to Improve Your School Tim Brighouse,David Woods,2005-08-10 This book takes a practical look at how standards in education can be raised It cuts through jargon and shows how ideas and intentions can be translated into effective action that will help a school Working with Grieving and Traumatized Children and Adolescents William Steele,Caelan Kuban,2013-06-19 A structured sequential and evidence based approach for the treatment of children and adolescents experiencing trauma or grief Working With Grieving and Traumatized Children and Adolescents features the Structured Sensory Interventions for Traumatized Children Adolescents and Parents SITCAP intervention model proven in successfully addressing violent situations such as murder domestic violence and physical abuse as well as non violent grief and trauma inducing situations including divorce critical injuries car fatalities terminal illness and environmental disasters Filled with practical and proven activities for use with children and adolescents experiencing trauma and grief this resource is based on the authors

experience working with all types of traumatic events in school agency and community based programs across the country
