Primary English Curriculum Guide Christine Moorcroft, Ray Barker, 2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice

World Yearbook of Education 1969 Joseph A. Lauwerys, David G. Scanlon, 2013-10-28 First Published in 2005 Almost everywhere policies designed to broaden access to education and to promote equality of opportunity are now pursued In consequence the importance of examinations grows since success in them determines entry to higher education and thus to professional posts They are therefore a major instrument of social mobility and promotion which affects social structure by applying criteria of selection nearly always accepted unconsciously and uncritically The aim of this text in selecting Examinations as the theme of the 1969 WORLD YEAR BOOK was to present a comparative analysis of the way in which examinations are devised administered and assessed to find out why we are examining and to look at the ways in which we examine to see if these are efficient relevant and reliable
