Primavera Express Manual:

Manual of Deixis in Romance Languages Konstanze Jungbluth, Federica Da Milano, 2015-10-16 Deixis as a field of research has generated increased interest in recent years. It is crucial for a number of different subdisciplines: pragmatics, semantics, cognitive and contrastive linguistics, to name just a few. The subject is of particular interest to experts and students, philosophers, teachers, philologists and psychologists interested in the study of their language or in comparing linguistic structures. The different deictic structures not only the items themselves but also the oppositions between them reflect the fact that neither the notions of space, time, person nor our use of them are identical cross culturally. This diversity is not restricted to the difference between languages but also appears among related dialects and language varieties. This volume will provide an overview of the field focusing on Romance languages but also reaching beyond this perspective. Chapters on diachronic developments, language change, comparisons with other non-European languages and on interfaces with neighboring fields of interest are also included. The editors and authors hope that readers regardless of their familiarity with Romance languages will gain new insights into deixis in general and into the similarities and differences among deictic structures used in the languages of the world.

Armed Forces Institute, **Who Is My Neighbor? Teacher Manual** Ruth Cassel Hoffman PH.D., M.T.S. Joyce

Carrasco, Ngoc-Diep Nguyen PH.D., 2015-04-21 Who Is My Neighbor is a field tested resource through which English speakers of any church and congregation can learn basic Spanish speaking skills to be able to communicate and provide a welcoming atmosphere to the Hispanic communities surrounding them. The six session resource developed by the Northern Illinois Conference covers basic conversational Spanish and simple and easy to follow Spanish language worship material. The program encourages openness toward Spanish speaking neighbors, understanding of different cultures and compassion for those who struggle to learn English. This resource is easily implemented by congregations of any size and it results in a program of hospitality that will help include Hispanic communities in your church congregation. *General Practitioners' Update*, 1999

Manual Que Acompaña ¿Qué Te Parece? Intermediate Spanish. Segunda Parte James F. Lee, Darlene

Wolf, Dolly J. Young, Paul M. Chandler, 2000 Que te parece is an exciting and innovative new program suitable for any communicative or proficiency based intermediate Spanish course. Both the grammar and the activities are driven by the content so that they are always presented in an authentic context. The program offers a dynamic approach to the material by incorporating unique presentations of literature, culture and the fine arts. This edition includes an interactive CD ROM that further explores the fine art and literature from the Spanish speaking world as well as the video to accompany the text.
