Principes De Droit Des Conflits Armeacutes:

Permanence et mutation du droit des conflits armés Vincent Chetail, 2013-12-18 Le présent ouvrage réunit les principaux experts du droit international humanitaire pour réfléchir sur ses principes fondateurs et leur pertinence dans les conflits armés contemporains. Il propose un état des lieux sur les grandes questions du droit international humanitaire à la lumière de l'évolution récente de la pratique en la matière. L'approche retenue par cette étude se veut à la fois didactique et critique de manière mieux comprendre les enjeux contemporains du droit international humanitaire son évolution et sa portée. L'ouvrage collectif s'articule cette fois autour de cinq axes essentiels : la notion de conflit armé, les nouveaux acteurs des conflits armés, les espaces des conflits armés, les méthodes de combat, la juridictionnalisation du droit des conflits armés.

International Law, the International Court of Justice and Nuclear Weapons Laurence Boisson de Chazournes, Philippe Sands, 1999-08-26 A most comprehensive book first published in 1999 analysing the ICJ Advisory Opinions on nuclear weapons handed down in 1996.

L' Interdit de la torture en procès? Emmanuel Babissagana, 2006 Interdite de façon absolue et non susceptible de dérogation, la torture est pourtant au devant de la scène internationale depuis près de deux ans, traversée de multiples et sordides révolutions y affrèntes et surtout cause de la remise en question de son interdiction absolue au prétexte de la lutte contre le terrorisme. De par son existence même la réurgence de ce débat public autour de la torture témoigne de la dévalorisation progressive des schèmes justificateurs de son interdiction. L'invocation incantatoire et autolégitime de la dignité humaine ne suffit en effet plus si elle a jamais suffi pour empêcher le recours à la torture. Si en est ainsi si en fin de compte la récurrence de la torture s'explique par la faible justification de son interdiction absolue, alors il apparaît qu'au plan philosophique l'une des tâches primordiales consiste à examiner la justification de cette interdiction.

Droit humanitaire et droits de l'homme A. Calogeropoulos-Stratis, 2024-12-23

Recueil Des Cours, Collected Courses, 1972, 1974-06-24 **Droit international, sociétés militaires privées et conflit armé** Marie-Louise Tougas, 2012-11-26 La privatisation du domaine militaire constitue un défi de taille pour la conception dominante du droit international toujours largement d'inspiration westphalienne. Il semble y avoir un certain décalage entre la réalité de l'activité des SMP dans les zones de conflit et le cadre normatif régissant ces conflits que l'ampleur du phénomène ne permet pas d'occulter. Cet ouvrage qui se focalise sur le droit des conflits armés cherche à apporter des réponses aux questions juridiques soulevées par les activités des SMP. Le droit des conflits armés ne suit pas uniquement une logique de sanction et d'imputabilité mais cherche d'abord à limiter les dommages causés lors des conflits et à protéger les victimes. Pour ce faire, il doit limiter les droits et obligations des acteurs impliqués. Ainsi, les règles applicables doivent permettre aux acteurs concernés d'adopter le comportement requis et de connaître a priori ce que le droit leur commande. Elles doivent aussi leur offrir une protection adéquate. Elles ne peuvent donc être principalement appliquées a posteriori par une cour de justice ou suite à l'analyse poussée d'un juriste. C'est donc cette distinction entre règles applicables a priori et mécanismes de mise en œuvre intervenant a posteriori qui constitue la structure de cet ouvrage et lui

permet de jeter un clairage nouveau sur cette problématique Recueil Des Cours, 1984 Académie de droit international de La Haye, 1989-03-01 *Compatibility of National Legal Systems with the Statute of the Permanent International Criminal Court (ICC)* International Society of Military Law and Law of War. International Congress, 2003 Peut-on juger Poutine ? Mathilde Philip-Gay, 2023-05-10 Injustifiable au regard du droit international la guerre que mène Poutine contre l'Ukraine constitue la plus grande remise en question de l'ordre mondial depuis 1945 la tête des juristes universitaires et chercheurs français qui la suite de l'ancien Premier Ministre britannique Gordon Brown et du juriste Philippe Sands appellent la création d'un tribunal spécial pour juger les crimes d'agression contre l'Ukraine Mathilde Philip Gay raconte le combat actuellement mené pour juger les responsables du crime d'agression contre l'Ukraine Mais pourquoi juger le chef d'état russe alors que George Bush ne l'a pas fait pour la guerre en Irak Quelle sanction risque-t-il vraiment Vladimir Poutine peut-il être jugé par une juridiction internationale en Ukraine La Haye chahutera-t-elle au jugement par l'amnistie ou par une autre solution politique Mathilde Philip Gay montre qu'en laissant faire les dictateurs c'est toute la crédibilité l'efficacité et la légitimité du système juridique international qui se trouvent en danger Ne pas punir cette nouvelle agression c'est préparer les conflits mondiaux de demain accepter qu'il n'y ait alors plus aucun recours juridique c'est céder la loi de la guerre Il faut donc reposer les grands principes du droit international afin de juger ceux qui ont été à l'origine de l'invasion de l'Ukraine et en premier lieu Poutine Mathilde Philip Gay est professeure des universités en droit public à l'Université Jean Moulin Lyon 3 vice-Présidente chargée de gérer la cité et lutte contre toutes les discriminations **Répertoire de la jurisprudence de la Cour internationale de Justice (1947-1992) / A Repertory of Decisions of the International Court of Justice** Giuliana Ziccardi Capaldo, 2025-01-27

L'action humanitaire en zones rebelles en Côte d'Ivoire de 2002 à 2011 Jakaria Koné, 2024-10-03 La crise militaire politique survenue le 19 septembre 2002 en Côte d'Ivoire a entraîné une partition du pays entre armées loyalistes au Sud et insurgés au Nord Le conflit s'est inscrit dans la durée cela a mis mal les fondements politiques économiques et sociaux de la zone sous contrôle de la rébellion avec de graves conséquences humanitaires pour les populations de la zone Centre Nord et Ouest CNO avec la ville de Bouaké en quartier général des mouvements rebelles En l'absence de l'administration et des personnels des services sociaux de base les agences humanitaires allaient se substituer aux autorités publiques en tant que prestataires de services sociaux Aux côtés des organisations humanitaires aguerries l'action humanitaire des organisations nationales et religieuses implantées à l'échelle nationale avec une bonne connaissance du terrain joueront un rôle primordial dans l'activité humanitaire dans la zone CNO pour soulager et sauver des vies humaines Avec des ressources humaines et financières limitées ces organisations nationales et religieuses à l'instar du REMCI assureront une assistance humanitaire de base dans la zone dans les domaines de la sécurité alimentaire la santé l'éducation la protection l'eau et l'assainissement

L'emploi de la force en mer Kiara Neri, 2013-02-20 Le droit international contemporain est placé face à un défi majeur assurer la sécurité et la liberté des espaces maritimes alors que l'on y observe une recrudescence des activités illicites ou

dangereuses L étude s inscrit dans le cadre de ce défi et tente de cerner la problématique de l'emploi de la force en mer afin de lutter contre ces activités Elle se place alors dans la sphère du développement et de la mise en œuvre de pouvoirs de police dans les zones maritimes et tente de montrer l'ambivalence de la police internationale relative à la mer Elle est caractérisée par une double juxtaposition entre l'objet de l'emploi de la force en mer activités illicites de personnes privées ou actes illicites des Etats et entre les acteurs chargés de lutter contre l'illicite en mer Elle se traduit par deux dialectiques distinctes mais imbriquées La première police internationale en mer et police internationale des mers repose sur les acteurs de l'illicite et déterminera le corps de règles applicable La seconde emploi de la force décentralisé et emploi de la force centralisée met en scène les acteurs de la police relative à la mer et permet de mettre en lumière le besoin croissant d'une gestion commune centralisée des atteintes à l'ordre des mers Military Law and Law of War Review, 1998

La répression des violations des droits humains en temps de conflit armé Modibo Sacko, 2020-02-24 La crise de 2012 a facilité la pénétration des groupes djihadistes et des mouvements séparatistes au Mali l'occasion pour ceux qui disent combattre au nom de Dieu de détruire des mausolées de violer des femmes d'amputer des hommes Des auteurs connus des victimes inconsolables et la quête de paix et de réconciliation dans un pays affaibli par une guerre asymétrique constituent pour le Mali une équation difficile résoudre Cet ouvrage se veut être une aide à la répression des crimes internationaux commis au Mali non pas seulement avec le système classique de justice mais aussi et surtout avec les mécanismes traditionnels existant depuis l'empire du Mali

Commentaire des protocoles additionnels du 8 juin 1977 aux Conventions de Genève du 12 août 1949 Claude Pilloud, Yves Sandoz, Christophe Swinarski, Bruno Zimmermann, Jean S Pictet, 1986-10-07 *Etudes Et Essais*, **Droit international public - 15e éd.** Yann Kerbrat, Pierre-Marie Dupuy, 2020-08-19 Les sujets du droit international public les modes de formation de ses normes leurs conditions d'application domaines d'intervention et leurs finalités sont les grands thèmes traités dans cet ouvrage devenu une référence Cette nouvelle édition intègre les enseignements de la jurisprudence internationale et de la pratique internationale des deux dernières années En dépit de la crise du multilatéralisme qui s'est encore accentuée depuis 2018 les juridictions internationales ont fait montre de constance parfois d'audace en particulier s'agissant de la situation des Rohingyas au Myanmar Il en sera fait état dans cette nouvelle édition Celle-ci comportera en outre un chapitre introductif sensiblement renouvelé pour tenir compte des changements profonds que connaissent la société internationale et l'ordre juridique international depuis quelques années Ce panorama complet du droit international public pourra être utilement complété par le recueil des Grands textes de droit international public des mêmes auteurs Recueil Des Cours, Collected Courses, 1983, The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects The work of the Hague Academy receives the support and recognition of the UN Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law

All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law

La Situation des Enfants dans le Monde 2006, 2005-12 Alors que la communauté internationale continue de financer et de mettre en œuvre ses stratégies et initiatives nécessaires pour concrétiser la vision de la Déclaration du Millénaire elle doit veiller à ce que les enfants qui ont le plus besoin de soins et de protection les enfants exclus et invisibles ne soient pas oubliés

The International Legal Order: Current Needs and Possible Responses
James Crawford, Abdul Koroma, Said Mahmoudi, Alain Pellet, 2017-04-03 This volume of essays addresses some of the most significant issues of contemporary international law It particularly focuses on questions relating to international humanitarian law the law of the sea human rights the use of force international environmental law and the settlement of international disputes Recent developments in some other issues of international law such as State immunity and State responsibility are also dealt with The Work contains a number of articles in French and is offered as a tribute to the prominent Iranian Professor of International Law Djamchid Momtaz on the occasion of his 75th birthday
