**Social and Environmental Issues in Advertising** Sukki Yoon, Sangdo Oh, 2018-10-11 In the past few decades attention has turned to the need to apply commercial marketing concepts knowledge and techniques to promote goods services and actions that enhance consumer well being and social welfare through socially and environmentally responsible advertising for example recycling promotions Critics argue however that for profit advertisers who endorse social responsibility are inherently serving commercial purposes and diluting the value of socially responsible advertising Scholars in many fields advertising marketing communications and psychology explore ways to encourage consumers companies and policymakers to adopt socially responsible behaviours and to provide theoretical and practical insights regarding effective applications of pro social and pro environmental marketing messages This book comprises ten chapters that contribute to advertising theory research and practice by providing an overview of current and diverse research that compares contrasts and reconciles conflicting views regarding social and environmental advertising uncovering individual differences in perception of advertising messages and their consequences for social and environmental behaviours reconciling societal and business interests identifying a message factor that determines eco friendly behaviours and identifying source factors that enhance and weaken advertising effectiveness This book was originally published as a special issue of the International Journal of

Advertising      **Exploring the Halal Industry and Its Business Ecosystem Prospects** Almunawar, Mohammad Nabil, Ubaedillah, Achmad, Amalia, Euis, Thoha, Anis Malik, 2025-04-24 The global Halal market has grown as the Muslim population continues to rise. Several factors related to supply and demand can fuel the growth of the Halal industry. Although it began with food and beverage, the halal industry has expanded to meet Muslims' demands comprising many segments like Islamic finance and banking, cosmetics, pharmacy, dietary supplements, personal care, tourism, travel, and hospitality, fashion, media, and recreation. However, there are several fundamental challenges that persist concerning the Halal industry and business ecosystem, including scarcity of locally sourced Halal raw materials, an un-integrated value chain, and domestic and foreign investment challenges. As a result, fostering partnerships among small and medium enterprises along the Halal value chain is imperative. *Exploring the Halal Industry and Its Business Ecosystem Prospects* navigates the evolving landscape of the Halal industry and business ecosystem, providing a roadmap for integrating sustainable practices in a competitive market. It shows how actionable strategies can foster further economic development. Covering topics such as consumption patterns, religiosity, and genetic engineering, this book is an excellent resource for business owners, manufacturers, logistics experts, policymakers, government officials, researchers, academicians, and more.      *Contemporary Strategic Marketing* Ross Brennan, Paul Baines, Paul Garneau, 2007-10-12 An extremely fluent and effective text designed to be a complete resource for single semester modules, this new edition has a unique combination of text and case studies. The emphasis is on practicality, and the text encourages the student to engage with the debate itself and not just the theory. Also available is a companion website with extra features to accompany the text. Please take a look by clicking below: <http://www.palgrave.com/business/brennan>

**Marketing Communications** John Egan, 2014-10-13 How many marketing messages do you think you see a day? Why do some stick with us more than others? Why do we all remember the Cadbury's gorilla drummer or the Budweiser Frogs? What do they say about the brand? How will you communicate your own marketing messages just as successfully? In this textbook, John Egan draws on years of both industry and academic experience to explain the why as well as the how of marketing communications. It covers all the essential topics that are relevant to your marketing communications course in a relatable and easy-to-read style. Insight boxes provide insight into some of the latest industry practices, and with engaging examples ranging from HSBC to James Bond to the Arab Spring and One Direction, this textbook will not only provide you with a solid foundation for working in marcoms, it will make your study fun along the way. For those looking to get ahead of their classmates and other job candidates, the textbook includes coverage of topical issues such as new technologies, ethical marketing, and the regulatory environment to help you consider some of the cutting-edge debates for assignments and future employment. There is also a companion website with additional study materials to help you go one further and stay ahead of the pack. Study: [sagepub.com/egan](http://sagepub.com/egan). This textbook is essential reading for all marketing communications courses at undergraduate and postgraduate levels, as well as professional courses in Marketing.      **Journal of World Business**
