Principles Of Investment Bodie:

Principles of Investments Anup Basu,Zvi Bodie,Michael E. Drew,Alex Kane,Alan J. Marcus,2013 Principles of Investments by Bodie Drew Basu Kane and Marcus emphasises asset allocation while presenting the practical applications of investment theory The authors concentrate on the intuition and insights that will be useful to students throughout their careers as new ideas and challenges emerge from the financial marketplace It provides a good foundation to understand the basic types of securities and financial markets as well as how trading in those markets is conducted The Portfolio Management section is discussed towards the end of the course and supported by a web based portfolio simulation with a hypothetical 100 000 brokerage account to buy and sell stocks and mutual funds Students get a chance to use real data found in the Wall Street Survivor simulation in conjunction with the chapters on investments This site is powered by StockTrak the leading provider of investment simulation services to the academic community Principles of Investments includes increased attention to changes in market structure and trading technology The theory is supported by a wide range of exercises worksheets and problems

Investments Alan J. Marcus, Professor,Zvi Bodie, Professor,Alex Kane,2017-05-30 The integrated solutions for Bodie Kane and Marcus Investments set the standard for graduate MBA investments textbooks The unifying theme is that security markets are nearly efficient meaning that most securities are priced appropriately given their risk and return attributes The content places greater emphasis on asset allocation and offers a much broader and deeper treatment of futures options and other derivative security markets than most investment texts Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective
