Sadler,2015-01-20 On June 18 1916 President Woodrow Wilson called up virtually the entire army National Guard some 150 000 men to meet an armed threat to the United States border raids covertly sponsored by a Mexican government in the throes of revolution The Great Call Up tells for the first time the complete story of this unprecedented deployment and its significance in the history of the

National Guard World War I and U S Mexico relations Often confused with the regular army operation against Pancho Villa and overshadowed by the U S entry into World War I the great call up is finally given due treatment here by two premier authorities on the history of the Southwest border Marshaling evidence drawn from newspapers state archives reports to Congress and War Department documents Charles H Harris III and Louis R Sadler trace the call up s state based deployment from San Antonio and Corpus Christi along the Texas and Arizona borders to California Along the way they tell the story of this mass mobilization by examining each unit as it was called up by state considering its composition missions and internal politics Through this period of intensive training the Guard became a truly cohesive national then international force Some units would even go directly from U S border service to the battlefields of World War I France remaining overseas until 1919 Balancing sweeping change over time with a keen eye for detail The Great Call Up unveils a little known yet vital chapter in American military history
