## **Sophies Flower Shop Pty Ltd Manual:**

**Sophies Flower Shop Pty Ltd - a Manual Accounting Practice Set** Corinne Cortese, 2012-09-13 Sophie's Flower Shop is a manual accounting practice set intended for students studying introductory accounting and can be used with any introductory textbook. In this practice set, all the steps in the accounting cycle are covered as students are guided through the process of recording transactions for a retail business for the last month of the financial year, completing adjusting and closing entries, and preparing financial statements.

**KEY FEATURES**

- A company organisational form
- A perpetual inventory system
- An unadjusted trial balance as a starting point
- One month of transactions for a retail business

Students must complete the accounting cycle by preparing adjusting and closing entries.

This fabulous book explains how to become a floral designer or start a flower shop. It describes commonly used flowers and plants, covers principals of floral design, and gives step-by-step instructions for creating flower arrangements. It offers advice on getting a job as a floral designer and covers how to start a flower shop, including choosing a location, creating displays, setting prices, finding suppliers, working with wire services, hiring employees, and getting customers. Includes CD-ROM.

**How to Open & Operate a Financially Successful Floral and Florist Business Both Online and Off** Stephanie N. Beener, 2008

The dream of starting a floral business can easily become a reality. Florist shop owners enjoy creating beautiful floral arrangements for individuals or special occasions. According to the customer's order, they cut and arrange live, dried, or artificial flowers and foliage. They design arrangements by trimming flowers and arranging bouquets, sprays, wreaths, dish gardens, and terrariums. This new book will teach you all you need to know about getting started in your own florist business in the minimum amount of time. Here is the manual you need to cash in on this highly profitable, quickly growing segment of the retail industry. This new book is a comprehensive and detailed study of the business side of a floral shop. This superb manual should be studied by anyone investigating the opportunities of opening a store. If you enjoy meeting people, this may be the perfect business for you. This complete manual will arm you with everything you need, including sample business forms, leases, and contracts, worksheets, and checklists for planning opening and running day-to-day operations, plans and layouts, and dozens of other valuable time-saving tools of the trade that no entrepreneur should be without. While providing detailed instructions and examples, the author leads you through finding a location that will bring success, drawing up a winning business plan, the companion CD-ROM has the actual business plan that can be used in Microsoft Word, buying and selling a floral store, pricing formulas, sales planning, tracking competitors, bookkeeping, media planning, pricing, copy writing, distribution, channel planning, hiring and firing employees, motivating workers, managing and
