**whimsical romance story** Yihan Sim, 2021-06-15 What if the gods were condemned to immortality due to the continued storytelling by mortals What if Hades met Persephone in contemporary Singapore Would their story still arrive at its age old conclusion As far as she knows Sophie is an ordinary florist living an ordinary mortal life in Singapore whilst caring for an aged mother suffering from dementia One day a peculiar man with the same name as the ancient Greek god of the Underworld crashes into her life and falls heavier and heavier in her debt Sophie tries to help him recover from amnesia and get back on his feet while in the meantime arranging for him to work for room and board at her flower shop As time goes by she grows accustomed to his company She becomes unsure if she actually wants him to quickly pay off his debt and step out of her life just as abruptly as he had arrived Absurd comedic and tender at the same time this whimsical variation of the classic Greek myth will not fail to amuse and delight **Confessions of Madame Psyche** Dorothy Bryant, 2020-07-08

Describes a life that explores in ways that only fine fiction can the differences between myth and illusion between real psychic gifts and false ones The Denver Post This American Book Award Winner follows the story of the young Mei li Murrow who is dubbed Madame Psyche after she accidentally predicts the San Francisco earthquake of 1906 Although she wins fame and fortune Mei li seeks a truer spirituality and embarks on a pilgrimage that takes her to the death soaked Europe of the First World War to a utopian commune in the Santa Cruz Mountains in the 1920s to the Depression era migrant work camps and cannery strikes and finally to the Napa State Hospital where she finds wisdom and peace among the outcasts of the asylum Mei li's modern day epic is grounded in the history of Northern California in the first half of the twentieth century and peopled by comrades of many classes and cultures and by lovers both male and female Yet her central odyssey remains one of inner discovery In Confessions of Madame Psyche Dorothy Bryant has created a character who is so honest in her search for truth growth and spiritual understanding that this quest becomes inherent to her survival Breathtaking and heartbreaking It is in the specifics of time and place that Bryant roots the book's magic It is in her characterizations that the magic convinces A beautiful story has very simply told itself The Denver Post Fascinating and beautiful Ursula K LeGuin Intricate appealing and profound Women's Review of Books Anna's Boarding House Mike Boehret, 2024-01-22 The Great Depression was a severe worldwide economic depression that took place during the 1930s The timing of the Great Depression varied across nations however in most countries it started in 1929 and lasted until the late 1930s Anna's
