Survivor Philip Yancey, 2002-01-29 One of America's leading Christian thinkers interweaves the story of his own struggle to reclaim his beliefs with inspiring portraits of people who have succeeded in the pursuit of an authentic faith. In *Soul Survivor* Philip Yancey charts his spiritual pilgrimage through the influence of key individuals. These are the people who ushered me into the Kingdom. In many ways they are why I remain a Christian today and I want to introduce them to other spiritual seekers. Yancey interweaves his own journey with fascinating stories of those who modeled for him a life enhancing rather than a life constricting faith. Dr. Paul Brand, G. K. Chesterton, Annie Dillard, Frederick Buechner, C. Everett Koop, Leo Tolstoy, Fyodor Dostoevsky, Henri Nouwen, John Donne, Mahatma Gandhi, Shusaku Endo, Martin Luther King Jr., Robert Coles. Readers will find these inspiring portraits both nurture and challenge for their own understanding of authentic faith. Yancey fans will devour these new glimpses of how he has held onto faith while acknowledging with utter honesty its inherent difficulties. New Yancey readers will be drawn in by the theme of faith versus religion and drawn along a compelling narrative of signposts on a spiritual journey. *Soul Survivor* offers illuminating and critically important insights into true Christianity which will enrich the lives of veteran believers and cautious seekers alike.

A Skeptic's Guide to Faith Philip Yancey, 2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on. If this is God's world why doesn't it look more like it? For anyone who's ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible. In the gentle understanding voice of one who's been through skepticism Yancey investigates questions like: What is the good life? Do my deepest experiences of beauty and pain have meaning? Is there life after death? If God does exist why does this world seem to be coming apart at the seams? Does faith make any difference in my daily life? *A Skeptic's Guide to Faith* previously titled *Rumors of Another World* reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world. According to Yancey, a thin membrane of belief separates the natural from the supernatural. What makes it so hard for some of us to cross that membrane? Look inside to find out. In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic.

The Director's Cut Erik L. Strandness, MD, MATH, 2014-03 Believer and unbeliever alike are subtly evangelized every day of their lives by the ambient glow of God's cinematic masterpiece They sense something grand but are confused by the incoherent cultural edits scattered throughout the film The Good News is that the deleted scenes are not lost but can be found in our shared human experiences and once spliced back together reveal an epic of Biblical proportions The Director's Cut of the Greatest Story Ever Told Dr Erik Strandness takes a unique bottom up approach to apologetics by investigating experiences common to all people and concluding that they can only be adequately understood through a Biblical filter The goal is to empower lay Christians to confidently share their faith in a concrete friendly real world context that effectively engages the day to day realities of their audience Dr Strandness writes in a clear engaging and witty style combining the thoughts of many great Christian thinkers with culturally relevant illustrations in order to make a solid real world case for the Christian worldview Once in a while someone manages to put ageless truth in such a fresh package that it cries out Read on That's the way I felt when reviewing Erik Strandness's book What a pleasure it is to read But it's not just Erik's engaging word images that make it such a great read It's the profound and timely message he is communicating in such an intelligent and winsome way This is a book you will be telling others about Dr Christian Overman Director Worldview Matters biblicalworldview.com
