

A woman with long, dark, curly hair stands in the center of a large, dimly lit cathedral. She is wearing a long, white, strapless gown that reaches the floor. She has large, white, feathered wings spread out to her sides, reaching towards the top of the frame. The cathedral's architecture features high, vaulted ceilings with intricate stone carvings and a series of arches receding into the distance. The lighting is dramatic, with light streaming in from an opening in the distance, creating a strong contrast and highlighting the angel's figure and wings. The overall mood is ethereal and majestic.
