Pregunta: Escribe un blog sobre las vacaciones. Debes mencionar:

- la importancia que tiene para ti ir de vacaciones;
- cómo fue el viaje que hiciste el año pasado;
- las ventajas y las desventajas de una vacación en el extranjero;
- cómo decidirás dónde pasar tus próximas vacaciones;

Translate this model answer into Spanish:

In my opinion, going on holiday is very important given that when I go on holiday, I have the opportunity to relax. I usually go the beach and I read a good book. Relaxing is very good for your health and therefore I try to go on holiday often. Also, I love spending time with my family.

I have just been on holiday to Seville and I had a good time. Although I am not enthusiastic about Spanish food, I liked seeing the historical monuments and, also, I had the opportunity to practise my Spanish. I would have liked to go to Australia because my friend lives there.

I must admit that going on holiday abroad has many benefits. For example, one can learn another language and it is possible to experience another culture. The bad thing is that sometimes it can be dear and the trip by plane can be long.

If I were rich, for my next holidays, I would like to go to the USA because I want to go to New York. However, my mum would like to go to Greece. Therefore, my dad will decide where to spend the next holidays.
