Study Guide for Problems in American History Lena A. Ely, Edith King, Martin James Stormzand, 1926 **Dilemmas of Representation** Sally Friedman, 2012-02-01 While the Congress literature of the 1970s and 1980s led to the dominant impression that all politics is local in recent years legislative behavior has pointed in more national directions Dilemmas of

Representation comprehensively examines the multifaceted activities of several legislators from New York one of the country's most diverse states. Legislators still include strong local components in their home styles but a variety of national factors now contribute notably to an understanding of local politics. This book encourages the reader to think more about the appropriate balance of local and national emphasis in legislator home styles and also the advantages and disadvantages of the contrasting representational styles used by some contemporary representatives.

Do the Poor Count? Michelle M. Taylor-Robinson, 2015-11-05 Latin

America's flirtation with neoliberal economic restructuring in the 1980s and 1990s the so called Washington Consensus strategy had the effect of increasing income inequality throughout the region The aim of this economic policy was in part to create the conditions for stable democracy by ensuring efficient economic use of resources both human and capital but the widening gap between rich and poor threatened to undermine political stability At the heart of the dilemma faced by these new democracies is the question of accountability Are all citizens equally capable of holding the government accountable if it does not represent their interests In this book Michelle Taylor Robinson investigates both the formal institutions of democracy such as electoral rules and the design of the legislative and executive branches and informal institutions such as the nomination procedures of political parties and patron client relationships to see what incentives legislators have to pay attention to the needs of poor people and thereby adequately represent their interests *The Inland Educator* ,1895
