

Populism: Ideology, political style, mentality?¹

MARCO TARCHI²

Abstract

The difficulties of defining the essence of populism and of circumscribing the range of application of this concept have determined a long-lasting controversy in the academic field. Among the main subjects under discussion, one question has arisen most frequently: can populism be considered as an ideology (a “thin” ideology, in Freedman’s sense) or must it be reduced to a political style which can be attached to any ideological background? Referring to the notion elaborated by Juan Linz in order to distinguish authoritarianism from totalitarianism, and on the basis of the empirical evidence, we suggest that populism must be seen neither as an ideology nor only as a style, but as a mentality, connected to a vision of the social order that is based on a belief in the innate virtues of the people, whose primacy is claimed as the source of the legitimacy for government.

Keywords: *p*Populism; *I*deology; *P*olitical *T*heory; *d*emocracy.

1. Introduction Still the Cinderella complex?

The various faces of the phenomena to which the label of populism has been applied have created confusion among both those who have aimed to analyze its empirical manifestations and those who have attempted to extract a unified theoretical substance from these case studies. The populism’s wide geographical coverage¹ and its chronological breadth² have emphasized the heterogeneity of the phenomenon rather than its common matrices. It was stressed that populism occurred from time to time in various guises, expressed through movements, regimes, discursive styles and rhetorical strategies, states of mind and psychological behaviours; as such, the literature stressed its chameleon-like ability (Taggart 2000) to adapt to a wide variety of contexts, overstepping the usual dividing line between left and right. In reaction to the various exhortations to redefine the

Style As Ideology Ideology As Style:

Girls, Style, and School Identities S. Pomerantz, 2008-05-26 Writing against the grain of popular perception and moral panic Pomerantz offers an intricate look at the importance of style for girls in school Based on a year long ethnography in a Canadian high school Pomerantz highlights style as a meaning making practice that demands to be taken seriously **The Language of Fashion** Roland Barthes, 2013-10-24 Roland Barthes was one of the most widely influential thinkers of the 20th Century and his immensely popular and readable writings have covered topics ranging from wrestling to photography The semiotic power of fashion and clothing were of perennial interest to Barthes and The Language of Fashion now available in the Bloomsbury Revelations series collects some of his most important writings on these topics Barthes essays here range from the history of clothing to the cultural importance of Coco Chanel from Hippie style in Morocco to the figure of the dandy from colour in fashion to the power of jewellery Barthes acute analysis and constant questioning make this book an essential read for anyone seeking to understand the cultural power of fashion **Fashion as Communication** Malcolm

Barnard, 2013-10-18 What kinds of things do fashion and clothing say about us What does it mean to wear Gap or Gaultier Millets or Moschino Are there any real differences between Hip Hop style and Punk anti styles In this fully revised and updated edition Malcolm Barnard introduces fashion and clothing as ways of communicating and challenging class gender sexual and social identities Drawing on a range of theoretical approaches from Barthes and Baudrillard to Marxist psychoanalytic and feminist theory Barnard addresses the ambivalent status of fashion in contemporary culture **The Evolution of Space in Russian Literature** Katharina Hansen Löve, 2023-07-31 This book is concerned with the literary development of the narrative category of space in Russian literature from Romanticism until Modernism It consists of two parts The theoretical introduction renders a survey of some major 20 th century theories on literary development in the tradition of Russian Formalism and Czech Structuralism A critical discussion is given of the cultural and stylistic typologies of the soviet scholar D Lichacev and the semiotician I Smirnov Furthermore the ideas on literary space as they were developed by two important representatives of the Moscow Tartu School of Semiotics Ju Lotman and V Toporov are described together with the method of literary analysis they offer The contents of the second part of the book are analyses of the structure of space in the following narrative works Mcyri by M Ju Lermontov Nevskij prospekt by N V Gogol Oblomov by I A Goncarov V tolpe by F Sologub and Kotlovan by A Platonov The analyses are accompanied by an interpretation of the story based on the spatial details in the text It appears that both continuity and change characterize the development of literary space This two fold nature of the evolutionary proces comes to the fore through recurrence of spatial archetypes in all the periods under discussion and through ambivalence of meaning as a result of the semiotization of literary space in each literary work

Style and Social Identities Peter Auer, 2008-09-25 This volume presents an interactional perspective on linguistic variability that takes into account the construction of social identities through the formation of social communicative styles It

shows that style is a useful category in bridging the gap between single parameter variation and social identity. Social positioning i.e. finding one's place in society is one of its motivating forces. Various aspects of the expression of stylistic features are focused on from language choice and linguistic variation in a narrow sense to practices of social categorization, pragmatics, patterns, preferences for specific communicative genres, rhetorical practices including prosodic features and aesthetic choices and preferences for specific forms of taste, looks, clothes, music etc. These various features of expression are connected to multimodal stylistic indices through talk, thus styles emerge from discourse. Styles are adapted to changing contexts and develop in the course of social processes. The analytical perspective chosen proposes an alternative to current approaches to variability under the influence of the so-called variationist paradigm.

Movements of Modernity William Eadie, 2021-10-12. Originally published in 1990, acknowledges the social as well as the artistic significance of the Glasgow Art Nouveau movement by examining the history of it from its inception through to its demise. By considering the contributions of social theorists like Peter Bürger, Theodor Adorno and Walter Benjamin, the author illustrates how Art nouveau can be located within an avant-garde. The book also reveals to what extent the contract which the Glasgow group had with the Secessionists in Vienna was significant for the development of their work.

Modes of Communication in Stravinsky's Works Per Dahl, 2021-12-16. Igor Stravinsky left behind a complex heritage of music and ideas. There are many examples of discrepancies between his literate statements about music and musicians and his musical compositions and activity. Per Dahl presents a model of communication that unveils a clear and logical understanding of Stravinsky's heritage based on the extant material available. From this, Dahl argues the case for Stravinsky's music and his ideas as separate entities representing different modes of communication. As well as describing a triangular model of communication based on a tilted and extended version of Ogden's triangle, Dahl presents an empirical investigation of Stravinsky's vocabulary of signs and expressions in his published scores, his communicative mode towards musicians. In addition to simple statistics, Dahl compares the notation practice in the composer's different stylistic epochs as well as his writing for different sizes of ensembles. Dahl also considers Stravinsky's performances and recordings as modes of communication to investigate whether the multi-layered model can soften the discrepancies between Stravinsky the literary and Stravinsky the musician.

Sociolinguistic Styles Juan Manuel Hernández-Campoy, 2020-01-09. *Sociolinguistic Styles* presents a new and in-depth, historically rooted overview of the phenomenon of style shifting in sociolinguistic variation. Written by an internationally acclaimed expert in the field, the text explores why, where and when it occurs. Full examination of the complex phenomenon of style shifting in sociolinguistics, focusing on its nature and social motivations as well as on the mechanisms for its usage and its effects. In-depth, up-to-date critical overview of the different theoretical approaches accounting for stylistic variation, exploring their historical roots not only in sociolinguistics and stylistics or semiotics but also in classical fields such as rhetoric and oratory. Coverage of a wide range of related concepts and issues from the oldest Greek *ethos* and *pathos* or

Roman elocutio and pronuntiatio to the contemporary enregisterment stylisation stance or crossing Written by an academic who has been instrumental in developing theory in this area of sociolinguistics **The Twitter Presidency** Brian L.

Ott,Greg Dickinson,2019-01-24 The Twitter Presidency explores the rhetorical style of President Donald J Trump attending to both his general manner of speaking as well as to his preferred modality Trump s manner the authors argue reflects an aesthetics of white rage and it is rooted in authoritarianism narcissism and demagoguery His preferred modality of speaking namely through Twitter effectively channels and transmits the affective dimensions of white rage by taking advantage of the platform s defining characteristics which include simplicity impulsivity and incivility There is then a structural homology between Trump s general communication practices and the specific platform Twitter he uses to communicate with his base This commonality between communication practices and communication platform manner and modality struck a powerful emotive chord with his followers who feel aggrieved at the decentering of white masculinity In addition to charting the defining characteristics of Trump s discourse The Twitter Presidency exposes how Trump s rhetorical style threatens democratic norms principles and institutions Social Movement Discourse Teun A. van Dijk,2023-12-22 This is both the first systematic introduction to Discourse Studies for students and scholars of social movements and a study of discourses on the European refugee crisis by leading theorist Teun A van Dijk Concrete examples of different kinds of discourse are vital for the study of social movements because their activities are not limited to such well known forms of contention as marches occupations or strikes but also daily discursive activities such as meetings assemblies interviews press conferences manifestos pamphlets banners graffiti websites blogs social media posts and everyday talk This book proposes that empirical analyses of these discourses should go beyond the popular but vague notion of frame and engage in more detailed and explicit analyses of the text and talk of social movements This is a much needed introduction to the most important structures of discourse and a detailed theoretical account of the notion of solidarity defining the Refugees Welcome movement Explaining Political Judgement Perri 6,2011-09-22 What is political judgement Why do politicians exhibit such contrasting thought styles in making decisions even when they agree ideologically What happens when governments with contrasting thought styles have to deal with each other In this book Perri 6 presents a fresh rigorous explanatory theory of judgement its varieties and its consequences drawing upon Durkheim and Douglas He argues that policy makers will understand and misunderstand their problems and choices in ways that reproduce their own social organisation This theory is developed by using the Cuban Missile Crisis of 1962 as an extended case study examining the decision making of the Kennedy Castro and Khrushchev regimes Explaining Political Judgement is the first comprehensive study to show what a neo Durkheimian institutional approach can offer to political science and to the social sciences generally The Ideational Approach to Populism Kirk A. Hawkins,Ryan E. Carlin,Levente Littvay,Cristóbal Rovira Kaltwasser,2018-09-03 Populism is on the rise in Europe and the Americas Scholars increasingly understand populist forces in terms of their ideas or discourse one

that envisions a cosmic struggle between the will of the common people and a conspiring elite In this volume we advance populism scholarship by proposing a causal theory and methodological guidelines a research program based on this ideational approach This program argues that populism exists as a set of widespread attitudes among ordinary citizens and that these attitudes lie dormant until activated by weak democratic governance and policy failure It offers methodological guidelines for scholars seeking to measure populist ideas and test their effects And to ground the program empirically it tests this theory at multiple levels of analysis using original data on populist discourse across European and US party systems case studies of populist forces in Europe Latin America and the US survey data from Europe and Latin America and experiments in Chile the US and the UK The result is a truly systematic comparative approach that helps answer questions about the causes and effects of populism

Style As Ideology Ideology As Style Introduction

In today's digital age, the availability of Style As Ideology Ideology As Style books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Style As Ideology Ideology As Style books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Style As Ideology Ideology As Style books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Style As Ideology Ideology As Style versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Style As Ideology Ideology As Style books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Style As Ideology Ideology As Style books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Style As Ideology Ideology As Style books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Style As Ideology Ideology As Style books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Style As Ideology Ideology As Style books and manuals for download and embark on your journey of knowledge?

FAQs About Style As Ideology Ideology As Style Books

1. Where can I buy Style As Ideology Ideology As Style books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
