

THANKS

for **ALL** that you did today in your classroom...

For making a million little split second

DECISIONS for the benefit of your students.

For putting your own needs on hold and

keeping them the **FOCUS** of your day.

For **PLANNING** for them long before today

ever got rolling.

For **CHANGING** those plans because they didn't

fit someone who needed a little extra.

For smiling, **LAUGHING WITH THEM** and reassuring

their efforts, trials and mistakes.

For placing your hand on a shoulder that

was **EXACTLY** what someone needed.

For getting down on the physical level of

your students because **IT MATTERS**.

For thinking of a new way to reach

someone who wasn't getting it.

You matter.

Yes — **YOU MATTER.**

Al-Hroub, Sally Reis, Joseph Madaus, Itab Shuayb, 2024-04-26 There is evidence that the global COVID 19 crisis is exacerbating existing inequalities and marginalization of vulnerable groups including exceptional learners stateless street migrant and refugee children and youths and the limited use of frameworks of emergency planning with and for marginalized and at risk individuals These challenges are multi sectoral and intersecting and they require multi and interdisciplinary interventions to inform inclusive responses These issues include being at a greater risk of excluding vulnerable learners from gaining access to equitable education online remote and blended education Intersecting forms of discrimination such as gender
