**Training the Teacher** Martin Grove Brumbaugh, Antoinette Abernethy Lamoreaux, Marion Lawrance, A. F. Schauffler, 2022-07-21 Training the Teacher is a guide to help readers teach Sunday school teachers. It gives a great deal of detail about the curriculum, what to expect from the students, and the teaching style that she or he should adopt. Sunday School Teaching H. A. Lester, 1915 *Seizing Opportunities* Rebecca Hilton, 2025-08-26 Until 1945 Australian Baptist women made up about two thirds of Australian Baptist adherents but rarely have their achievements been documented. Instead Australian Baptist history has focused on structures and male ministers. This book seeks to redress this deficiency and highlights the work of Baptist women in congregations, state and national Baptist women's organizations, overseas mission, an area in which their contribution was essential, and national non denominational organizations, particularly the Woman's Christian Temperance Union. Australian Baptist women seized the opportunities available to them with drive and passion, and the recognition of their ministries is long overdue. The Monthly Religious Magazine, 1845 Legion of Honor Teacher-training Lessons Howard Melancthon Hamill, 1914 *A Flower with Roots* Roberta Lynn Stephens, 2018-02-27 You are about to read a book with a double storyline with many intertwining segments. Mary D. Jesse, a woman from a family of means, abandons everything to follow her vision to help lift the burden of Japanese girls during a time when education was a privilege and not a right. She is a model of faith, perseverance, and leadership who discovers God's guidance in difficult experiences. Already a school with history, Shokei Girls School begins its walk with Jesse as she and other missionary colleagues share their Christian faith, the flower, their love for the students, and Christ's love as it is rooted in their daily living. Mission culture and character intersect here at Shokei, leading to changed lives. At the same time, the drama of misunderstanding, misery, and pain leads to forgiveness and rebuilding. The story of Shokei Girls School is a compelling account of the resiliency of a mission school where you will see the love and loyalty of the students for their school while the school leadership was experiencing endless
