

Teacher Poem

You've worked so hard for many years,
so many children taught
and today as you retire for good
we leave you with this thought.
You have touched so many lives,
and futures helped to mould,
so as you start a chapter new
your memory we will hold.
Know that we are grateful,
for everything – its true!
You're one in a million, and so we say
Happy Retirement to you!

Teacher Assistant Retirement Poem:

Prize Poems, 1860 *The Young Gentleman and Lady's Monitor, and English Teacher's Assistant* John Hamilton
Moore, 1806 **The Young Gentlemen and Lady's Monitor, and English Teacher's Assistant** John Hamilton
Moore, 1824 **The Young Gentleman and Lady's Monitor, and English Teacher's Assistant**, 1824 *Collected Poems 2020* Carmine Giordano, 2020-04-22 The poems in this volume are the author's attempts to put into words some of the inner particulars of his eighty year journey on the planet and to share the amazing discoveries, realizations and frustrations he has experienced trying to make verbal translations of that adventure. Many of the poems acknowledge the inadequacy of our alphabet sounds and words to adequately represent our emotions, ideas and sensory experiences. Words are stand-ins written or spoken sound symbols maps for our inner territories and not the territories themselves. The poem *Onomatopoeia* asserts that the vowels howl out and the consonants deter, deflect, conflict but do not actually share what we have experienced. Another *Piecemeal* states that what you're looking for is always hiding in the spaces between the words. The author hopes readers will use their own intuitive experiences to find whatever of him is hiding between his words and be left with some wonder and appreciation.

Poems by Ruth Ruth Henderson Lowe, 2010 *POEMS OF EVERYDAY LIFE*
DANNY L. NOSS, 2010-12-08 This book includes poems about many things that happen in life. I have written these poems from experiences that I have lived, things that my friends, co-workers and others have passed on to me and things that have just popped out of my head. I feel that at least one of the poems in this book should bring back one or more memories of something that has happened in your life or somebody you know. It could bring back memories of joy and happiness or memories that you have tried to forget. I hope that the poems in this book bring you joy and happiness plus some add a few moments of humor to your life. If a poem happens to bring back bad memories I hope the way that the poem is written will help you put your thoughts behind you and let you enjoy the rest of your life. When you are reading this book you will find yourself changing the names in a poem or multiple poems with the name of one person or many people that you know. I enjoyed bringing the words in these poems to life for your reading. I want to thank you for purchasing this book so that I may share my feelings and observations with other people.

Poems of Love, Life and Love Ones Herman L. Cannon, 2011-07-19 He has been writing poetry over the past 45 years and seems to enjoy romantic poetry more so than any other form. However, he has shown the ability to write other forms including the writing of speeches. He began writing around 15 years old as a first year high schooler. By the time he became a senior he had compiled quite a number of poems in a tablet. These poems were written as a result of being in love. After graduation from high school he shared his poetry with co-workers and friends. He has always felt that he was blessed with the innate ability to choose words that expressed his inner feelings. Being told by many that you ought to publish your poetry for all to enjoy has been repeatedly said over the past 50 years. This book of poetry will attempt to bring out a feeling of warmth and memories of someone in your life that made you

feel special Hopefully it will arouse your inner emotions and allow you to reflect on the goodness of relatives friends and love ones who were instrumental in making life beautiful for you Many of the poems depict an awareness of nature and the beauty that lies within In many cases the elements whether it be wind rain or snow has a message for us depending on our mood The sky sun moon and even the stars depending on your state of mind can send messages to your heart that could make your liver quiver Finally I suggest that you place a photo to the left page of the poem that you are about to read or you may do it after I really think this would give greater meaning and feeling for the poem Stories and Poems Substitute Teachers, 2023-07-24 An insightful entertaining read These wonderful heart warming true stories from substitute teachers will inspire teachers parents and the general public alike Have you ever wondered what life is like for a substitute teacher Everyone has had a substitute teacher in their experience as a student They often do not realize how challenging it can be for a substitute teacher to walk into a new environment even at a moment's notice This book highlights substitute teachers special days and memorable experiences from the bittersweet to the hilarious Their stories range from the one room schoolhouse memories to elementary Show and Tell surprises to student antics and the importance of establishing connections with students The substitute teacher never knows what the day may bring It is not an easy job but it is one that is varied and rewarding Sit back read and enjoy a good laugh at the substitute teacher's expense You will surely see yourself in many of these stories The COVID 19 poems and artwork are reflections of some substitutes time of worry isolation and belief of a better day to come
