Ndegwa, 1971 *Participatory Development in Kenya* Josephine Syokau Mwanzia, Robert Craig Strathdee, 2016-05-13 Participatory Development PDev has been embraced by Third World governments and international organizations such as the World Bank as a means to reduce poverty and empower disadvantaged communities The emphasis on creating partnerships and using participatory and people centred approaches has obvious political appeal yet there is evidence that in practice interventions designed to increase PDev and reduce poverty have yet to have the desired empowerment transformation and sustainability effect Using an in depth study of the Basic Education Improvement Project BEIP implemented by the Government of Kenya the authors of this book critically assess the fit between policy practice and theory of PDev to shed light on theoretical debates that are on going in development Kenya National Assembly Official Record (Hansard), 1974-05-28 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya **Education, Equity and Transformation** Crain Soudien, Peter Kallaway, 1999-12-31 The papers for this special issue were selected from a pool of nearly 700 presentations which were made at the 10th Congress of the World Council of Comparative Education Societies WCCES which was held in Cape Town South Africa from 12 to 17 July 1998 The congress was hosted by the Southern African Comparative and History of Education Society SACHES and held on the campuses of the University of the Western Cape and the University of Cape Town The papers were selected by the convenors of the conference s standing commissions which provided a significant focus for the conference proceedings These commissions were on the following themes Teachers and teacher education Curriculum Higher education Lifelong learning Language literacy and basic education Gender and education Policy Theory and theory shifts Basic education in Africa Peace and Justice Dependency European Education Policy Research in Africa Culture Indigenous Knowledge and Learning The papers presented as the discussion below makes clear ranged widely in subject matter and theoretical perspective and addressed issues of concern both to individual countries and to regions of the world While some of the papers use comparison as an approach it remains a matter of concern that the comparative perspective is so little in evidence It is hoped that the comparative research approach will be more in evidence in the future **Global Education Monitoring Report** Bangladesh Rural Advancement Committee, Central Square Foundation (India), Global Education Monitoring Report Team, Idara-E-Taleem Oaagahi (Pakistan), Institute for Integrated Development Studies (Nepal), Institute of Policy Studies of Sri Lanka, 2022-11-01 **Preparation and Development of School Leaders in Africa** Pontso Moorosi, Tony Bush, 2019-11-28 The book is based on African research and reviews on school leadership preparation and development taking stock of where the field is in this geographical region and what lies ahead The exclusive focus on sub Saharan African countries is driven by the desire to foreground African experiences highlighting gaps and
