Chapter 5 Think/Write/Share

What has happened to Elie's faith since the beginning of his memoir? Reread ch. 1 to review before responding.

Students might discuss: Elie was extremely faithful in Chapter 1. He sought the guidance of Moshe the Beadle in his religious studies. After witnessing babies being burned in Auschwitz, his faith in God has deteriorated. He questions why God would remain silent and even rebels against Him claiming that man is stronger than God as he may still choose to pray to Him even when they are suffering.

"Abba Drumer has left us, a victim of the selection." What does the character of Abba Drumer reveal about the role of faith?

Students might discuss: Wisniewski mentions that when Abba Drumer lost his faith, he was chosen in the selection. Elie is also struggling with his faith, and Elie might recognize that when you lose your faith, it might also impact your will to survive.

Chapter 6

1. What was the only thing that stopped Elie from dying? His father's presence.
2. What did Elie's father say was dangerous to do in the snow? To fall asleep in the snow.
3. (T or F) Rabbi Eliahu found the person he was looking for? False.
4. Rabbi Eliahu entered the shed looking for whom? His son.
5. What was their destination? Gleiwitz.
6. Who was crying out "You're crushing me... have mercy! Mercy!?" Julek.

Think/Write/Share

How does Rabbi Eliahu and his son compare to Elie and his Father?

Students might discuss: Elie and his father have been together like Rabbi Eliahu and his son; however, when Rabbi Eliahu is searching for his son, Elie recalls that he witnessed his son abandoning Rabbi Eliahu. Elie considers how tempting it would be to leave his own father in an effort to focus on his own survival. However, Elie asks for strength from God to not abandon his father like Rabbi Eliahu's son.

Why do you think Wisniewski includes Julek in his memoir?

Students might discuss: Wisniewski ponders this moment as Julek is playing beautiful music amidst all this silence and death. Elie mentions that whenever he hears that particular song by Beethoven, he can recall the images from this moment. Perhaps Julek's way of coping was regaining his humanity by playing his violin.

Your Library Is the Answer Christina T. Russo, Cathy Swan, 2015-01-22 Today's tech savvy and digitally connected students present a new challenge for today's school librarians. This book offers the 21st century tools and know-how necessary for educators to appeal to and challenge students to learn and to want to learn. What are the best ways to motivate students to become engaged and develop a passion for learning? Can appealing to their desire for socialization and constant communication attributes of their lives outside of education via the integration of cutting edge technologies and new media in the library or classroom serve to ignite creativity, curiosity, and critical thinking? This book shows how you can make use of non-traditional tools such as popular social networks, collaborative technologies, and cloud computing to teach information and communications technologies integrated with the school curriculum to improve student learning and demonstrates how these same technologies can help you measure skills and mastery learning. The book provides an easy-to-follow blueprint for using collaborative techniques, innovation, and teaching for creativity to achieve the new learning paradigm of self-directed learning such as flipping the classroom or library. Readers of this book will find concrete step-by-step examples of proven lesson plans, collaborative models, and time-saving strategies for the successful integration of American Association of School Librarians (AASL) standards. The authors, both award-winning teachers, explain the quantitatively and qualitatively measurable educational value of using these technologies for core curricular and information and communications technologies instruction, showing that they both enhance student learning outcomes and provide data for measuring their impact on learning.
