Teaching and the Case Method Louis B. Barnes, Carl Roland Christensen, Abby J. Hansen, 1994 This third edition of Teaching and the Case Method is a further response to increased national and international interest in teaching teachers and learning as well as the pressing need to enhance instructional effectiveness in the widest possible variety of settings Like its predecessors this edition celebrates the joys of teaching and learning at their best and emphasizes the reciprocal exchange of wisdom that teachers and students can experience It is based on the belief that teaching is not purely a matter of inborn talent On the contrary the knowledge skills and attitudes that make for excellence in teaching can be analyzed abstracted

and learned One key premise of Teaching and the Case Method is that all teaching and learning involve a core of universally applicable principles that can be discerned and absorbed through the study and discussion of cases **Prep** Curtis Sittenfeld,2005-01-11 NEW YORK TIMES BESTSELLER A modern classic of adolescent angst and ambition set in the world of prep school from the author of Romantic Comedy and Eligible a tart and complex tale of social class race and gender politics The Boston Globe One of The New York Times Book Review s Ten Best Books of the Year Lee Fiora is an intelligent observant fourteen year old when her father drops her off in front of her dorm at the prestigious Ault School in Massachusetts She leaves her animated affectionate family in South Bend Indiana at least in part because of the boarding school s glossy brochure in which boys in sweaters chat in front of old brick buildings girls in kilts hold lacrosse sticks on pristinely mown athletic fields and everyone sings hymns in chapel As Lee soon learns Ault is a cloistered world of jaded attractive teenagers who spend summers on Nantucket and speak in their own clever shorthand Both intimidated and fascinated by her classmates Lee becomes a shrewd observer of and ultimately a participant in their rituals and mores As a scholarship student she constantly feels like an outsider and is both drawn to and repelled by other loners By the time she s a senior Lee has created a hard won place for herself at Ault But when her behavior takes a self destructive and highly public turn her carefully crafted identity within the community is shattered Ultimately Lee s experiences complicated relationships with teachers intense friendships with other girls an all consuming preoccupation with a classmate who is less than a boyfriend and more than a crush conflicts with her parents from whom Lee feels increasingly distant coalesce into a singular portrait of the painful and thrilling adolescence universal to us all Life Lessons of the Zombie Apocalypse Gustavo Lomas,2024-05-24 Middle school seems like a fight to survive for most students There s a sense of freedom a sense of fear and a sense of resentment stemming from trying to navigate a world that seems to want to tear them apart Teachers seem to be oozing with resentment blinded by their drive to make students more like them Vic and Flo are two besties on the verge of the biggest test of their young lives as a spirit week assembly turns deadly when students are attacked by zombified teachers They find themselves embarking on a pass fail test to escape and find answers Along the way they meet more young survivors C J Connor Izzy and Leanne As they travel together piecing together clues hidden in their survival stories one thing becomes clear zombies aren t their only obstacle As they travel in search of supplies and somewhere to call home they push to find answers about the hordes What makes the zombies blind Why do they all look like they re sweating How does the infection spread The one question they can t answer is what started it all **Being Mentored** Hal Portner,2002-05-22 In this book you will find all you need to recognize and utilize the valuable rewards uncovered throughout the mentoring process

School Library Journal ,2010 **American Bookseller** ,1992 **Strained and Drained** Connie Hamilton,Dorothy VanderJagt,2022-05-09 Teaching is not a job it s a passion Caring and compassionate educators will stop at nothing to be sure their students have everything they need to flourish As teaching demands increase the attention teachers give to their own needs is often sacrificed The pressures of teaching are forcing educators to choose between what they love to do and their own well being The levels of stress are so high that teacher shortages are considered a crisis in the United States

Authors Connie Hamilton and Dorothy VanderJagt share an alternative They believe it s possible to be a highly effective teacher and focus on yourself Strained and Drained Tools for Overworked Teachers describes five areas of wellness and offers realistic and practical ways that teachers can create habits to support each one You ll find effective ways to take care of YOU both in and out of the classroom Wellness is not an isolated activity it s a way of life and requires a mindset that values and prioritizes it The strategies you gain from this book will support your physical emotional social cognitive and spiritual health and will put you at your best so you can enjoy what the authors still believe is the most important and rewarding profession on earth

Mindpieces Marianne Tong,2011-02-24 This is book embodies a collection of personal tales that have bedeviled Tongs mind for years The stories of two strong women who never met each other but who became the ancestors of the author and her husband are presented at the beginning and the ending of the book Between the tale of the Chinese Ng Shee who established her family in San Francisco and the tale of the German Maria Korzelius who kept only two of her seven children alive during epidemics we find the stories of other strong women Into the familiar histories of World War One World War Two the 1906 San Francisco Earthquake and several other current events Tong has woven many stories that relate delightfully to the readers own experiences

All Day Liza Jessie Peterson,2017-04-18 ALL DAY is a behind the bars personal glimpse into the issue of mass incarceration via an unpredictable insightful and ultimately hopeful reflection on teaching teens while they await sentencing Told with equal parts raw honesty and unbridled compassion ALL DAY recounts a year in Liza Jessie Peterson s classroom at Island Academy the high school for inmates detained at New York City s Rikers Island A poet and actress who had done occasional workshops at the correctional facility Peterson was ill prepared for a full time stint teaching in the GED program for the incarcerated youths For the first time faced with full days teaching the rambunctious hyper and fragile adolescent inmates Ms P comes to understand the essence of her predominantly Black and Latino students as she attempts not only to educate them but to instill them with a sense of self worth long stripped from their lives I have quite a spirited group of drama kings court jesters flyboy gangsters tricksters and wannabe pimps all in my charge all up in my face to educate Peterson discovers Corraling this motley crew of bad news bears to do any lesson is like running boot camp for hyperactive gremlins I have to be consistent alert firm witty fearless and demanding and most important I have to have strong command of the subject I m teaching Discipline is always a challenge with the students spouting street infused backtalk and often bouncing off the walls with pent up testosterone Peterson learns quickly that she must keep the upper hand set the rules and enforce them with rigor even when her sympathetic heart starts to waver Despite their relentless bravura and antics and in part because of it Peterson becomes a fierce advocate for her students She works to instill the young men mostly black with a sense of pride about their history and culture from their African roots to Langston Hughes and Malcolm X She encourages them to explore and express their true feelings by writing their own poems and essays When the boys push her buttons on an almost daily basis she pushes back

demanding that they meet not only her expectations or the standards of the curriculum but set expectations for themselves something most of them have never before been asked to do She witnesses some amazing successes as some of the boys come into their own under her tutelage Peterson vividly captures the prison milieu and the exuberance of the kids who have been handed a raw deal by society and have become lost within the system Her time in the classroom teaches her something too that these boys want to be rescued They want normalcy and love and opportunity The Current Digest of the Soviet Press ,1965
