UNLIMITED MEMBERS A Collections of erotica stories 1 Teacher s Pet Taylor Jordan had high school all figured out She was captain of a cheerleading squad that had a real shot at winning a national title and was on a fast track to a collegiate scholarship because of it She was beautiful popular and talented All she had left to do was graduate high school and start the rest of her life She hadn t counted on her English teacher to stand in her way Will Harper the teacher of senior English couldn t stand the way she flaunted her superiority and continually disrespected him and others He was determined to teach her a lesson Fortunately for him Taylor s arrogance and petulant attitude would play right into his plans Taylor slowly begins to understand her new reality Deciding there is no other way out she begins to embrace her new normal and make the best of the situation What she didn t count on was how much she would begin to enjoy it Will Harper s plan was working exactly how he intended It will be stupid however on the part of the duo to go on a raid together in the main because Angel has never gone on such raids and her wounds wouldn t allow her Johnny went on the raid alone and he came back to find their love still as strong as the rocky mountains of Colorado and they subsequently threw themselves into bouts of sexual ecstasy suffice it to say that they lived happily ever after 2 The Innocent Girl After 2 failed marriages Adam and Clara finally thought that they found happiness She had a daughter and he had a son The four of them just clicked They were having a lot of fun together

and Clara was surprised to see that Ana finally agreed with a man she dated Adam was a very charming and good looking man In less than three months they moved in together and they got married What Clara did not know was that her daughter liked her husband a little too much Adam was attracted to her too but he did his best to hide it He kept telling to himself that Ana was his daughter Even if she wasn't his biological child he tried to behave like a real father This was the only way he could find to keep his feelings under control

3 A Night of Passion Love is a force that can engage as well as disengage the unimaginable Johnny and Angel are in love their relationship is so strong to the point that Johnny asked her to come over to his apartment so he would be able to attend to her wounds which she sustained not quite long from the time of the invitation As fate would have it the two lovers had to part for a while when it was expedient that Johnny goes on a raid he thought of taking Angel along because of her wounds and because she just came to his place and perhaps not adapted to the environment yet It will be stupid however on the part of the duo to go on a raid together in the main because Angel has never gone on such raids and her wounds wouldn't allow her Johnny went on the raid alone and he came back to find their love still as strong as the rocky mountains of Colorado and they subsequently threw themselves into bouts of sexual ecstasy suffice it to say that they lived happily ever after This story will get you sitting on the edge of your seat until you are done and you will definitely read it over and over again until you can recite the words in your sleep even on a night of passions
