

## Manifest Destiny Understanding Context

**Directions:** Read how Oregon Trail pioneers were part of a larger American quest and answer the questions.

**Manifest Destiny:** The philosophy that America should expand its borders, spreading democracy and prosperity across North America. (a2 sentence)

**Situation:** In the mid-1800's, America's population was booming and people were migrating west for new land and opportunity. Lawmakers pushed for America to acquire more territory, so the country would stretch coast to coast. Several factors helped America achieve its Manifest Destiny.

**Conflicts:** Several groups, like the Britain, France, Spain, and Mexico, claimed land to the Pacific. In addition, American tribes inhabited much of the territory. Battles, treaties, purchases, and forced removal were all part of America's expansion across the continent.

### Achievements

- **Louisiana Purchase** – In 1803, President Jefferson nearly doubled the size of the country with the Louisiana Purchase (828,000 miles<sup>2</sup>) for \$15 million.
- **Florida** – In 1819, Spain sold Florida to the United States.
- **Texas** – In 1845, the country of Texas became an American state.
- **Mexican-American War (1846-48)** – Mexico agreed to sell its land to America for \$25 million. The United States gained a vast territory in the Southwest (1/3 more land), including California.
- **Oregon Treaty 1846** – Both Britain and the United States claimed the Oregon Country. It was an isolated region with few settlers, and both sides realized the colony with the most settlers would have more influence and control. The Oregon Trail provided access and opportunity for settlers, as well as establishing a greater American presence on the land. The "Great Wagon Train of 1843" brought an impressive 700-1000 pioneers into Oregon, causing Britain to give up its claim and agree to a border similar to other northern American states (49° latitude line).

**Legacy:** With America now reaching coast to coast, it was the start of unprecedented prosperity. There would be no more threat of territory wars, citizens had opportunities to purchase new land and achieve individual success, and important industries like farming and trade would soon flourish.
