Engaging the Word Jaime Clark-Soles,2010-01-01 This book is a welcome accompaniment to college and seminary courses but equally helpful to any who want to read the Christian Scriptures or the latest bestseller on them with a sharp yet appreciative eye Susan R Garrett Professor of New Testament Louisville Presbyterian Theological Seminary Academic study of the New Testament and its origins often prompts Christians to rethink their assumptions about the Bible and how it matters for their lives But out of these experiences can emerge a more robust and responsible understanding of Scripture Jaime Clark Soles knows all this very well she is a hospitable and lively guide into the most crucial big issues that students must consider as they seek to engage the New Testament deeply with their hearts souls and minds Matthew L Skinner Associate Professor of New Testament Luther Seminary Most Christians and many new students are unaware of the doctrinal debates taking place within the religious academic community Clark Soles invites us to find common ground by considering the various debates the reasons they persist the implications of each and how they pertain to Christian identity and faith within the larger contemporary culture The Publishers Weekly ,1893 *Christianity in Crisis* Hank

Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmask We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing

to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas
