They can help people on the path of enlightenment recognize that God's love is the only truth that exists in the universe. Today millions of people take medication for depression and other mental health disorders. The ease with which doctors prescribe medication represents a troubling trend, namely a prevailing attitude that pain and suffering are best resolved by popping pills. But emotional discomfort is a signal to delve into uncomfortable feelings, not numb them with pharmaceuticals. Tears to Triumph Marianne Williamson, 2017-06-13. The internationally recognized teacher, speaker, and New York Times bestselling author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we, as a culture and as individuals, have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom, ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, *Tears to Triumph* offers us a powerful way forward through the pain to a deeper awareness of our feelings, our lives, and our true selves.

Tears to Triumph Terrie-Dawn Clark, 2014-12-30. *I Cried a River* ELIZABETH. SHREVE, 2022-01-15. What happens when your world falls apart? When you are healthy one day and sick the next? When you are planning a vacation one day, then, without warning, planning emergency surgery? Like can be a roller coaster ride. We must learn to enjoy what we can, scream when we must, and hold on for dear life. Yes, hold on for dear life. In this book, you will walk the journey of diagnosis, desperation, and defeat. But then you will turn the corner and walk the journey of faith, laughter, promises, divine visitations, awakened courage, and an unhindered destiny. Most of all, you will be convinced that faith wins over fear, always. For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope. Jeremiah 29:11.
