

## Anna Albareda Coca

My name is Anna Albareda Coca, you may think my name is so long. Well in reality it's just Anna, but Albareda is my father's second name and it means a kind of tree in Catalan, and Coca is my mother's second name, it means a traditional cake in Catalonia. It is not, that all the names in Spain mean something; it is just that my two names become to mean something. My age is 10 years old, I was born on 10th of July in 2004, in Manresa a small town in the north of Spain.

There are a lot of things I like and that I don't like. I like to have fun with my friends, I like to play saxophone and guitar, I love soccer and Basketball, but what I really love is jokes. Sometimes I tell jokes but sometimes I do jokes. The things I don't like are peas...(I really hate peas). Another thing I don't like is pumpkin soup, for me it tastes horrible. So far I have told you about things I don't like about food, now I am going to tell you one of the biggest things I hate in this world:.....to be BORED!!!! Just saying this word makes me really sick. Like I told you before there are a lot of things I like and some things I really don't like.

Well by now you might know some of my personality but I am going to tell you some more, I think some good points of my personality are that I am musical, very joking, sometimes brave, friendly when it is time to meet friends and quite sporty since I like soccer, basketball, long jump. I am also funny when it is time to do my jokes. I haven't told you of my bad points yet...well some of my bad points are that I am a little bit forgetful, well let's say I am quite forgetful. I am disorganized, I get angry easy sometimes....Well each person has their own personality.

Throughout the years I have had some obstacles, some of them I still have. As I told you before I am quite forgetful, that has been an obstacle and it is still an obstacle, I lose shoes, notebooks, hats...almost all kinds of things. Also one of the biggest obstacle I had is moving to Vietnam. I had to leave all my friends and most of my family like my grandmother and my grandfather, my cousins, my friends...and lots more. I've had obstacles like every single person does too.

Well you might be thinking why I moved to Vietnam if I liked Spain that much. Well it kind of was for two reasons: the first reason was because my father's job got

Learner's Course Andrew Scott Conning, 2013-12-06 The Kodansha Kanji Learner's Course is an innovative and highly effective system for learning and remembering kanji or Sino Japanese characters The book contains 2 300 character entries including all 2 136 Joyo Kanji regular use kanji plus 164 of the most useful non Joyo Kanji It offers a sophisticated pedagogically sound method for remembering the basic meanings of each character conveniently summarized in concise keywords to facilitate memorization Each kanji is accompanied by an explanation of how to remember its meanings clearly and distinctly These mnemonic explanations teach you to associate each kanji's graphical form with its unique range of meaning often by seeing its meaning in the form of the kanji itself An outstanding feature of the course is the special attention it gives to the challenge of learning each kanji in a differentiated way This allows you to associate the meaning of each character with the features that distinguish it from graphically similar characters Another unique feature and a significant breakthrough in kanji pedagogy is the sequence in which the course introduces kanji Most kanji dictionaries and textbooks arrange their entries in ways that do not address the needs of non native learners such as by traditional radical or by the grades in which the kanji are taught in Japanese schools The Kodansha Kanji Learner's Course uses an original sequence that presents graphically related characters one after the other to help you give significance to their contrastive features as you learn them and thereby avoid having to relearn them later It also introduces the meaning and usage of each graphical element each kanji building block the first time it appears thus enabling you to seamlessly and rapidly acquire new characters In short The Kodansha Kanji Learner's Course makes learning and remembering kanji easier than ever before This book fills an urgent need for a timesaving yet sophisticated kanji learning system that can be used from beginning through advanced levels an enjoyable no nonsense path to proficiency It is intended for anyone serious about learning to read Japanese Features Includes 2 300 kanji entries Completely up to date includes all the 2 136 officially prescribed Joyo Kanji kanji for regular use Each entry explains how to remember the character's meaning clearly and distinctly often through the innovative use of visualization and concrete imagery Introduces kanji components in a logical step by step order that makes learning new kanji easier than ever Can be used as a stand alone resource or together with The Kodansha Kanji Learner's Dictionary Includes cross references character meanings readings and sample vocabulary from the dictionary

**Postcolonial Francophone Autobiographies** Edgard Sankara, 2011-08-03 Bringing a comparative perspective to the study of autobiography Edgard Sankara considers a cross section of postcolonial francophone writing from Africa and the Caribbean in order to examine and compare for the first time their transnational reception Sankara not only compares the ways in which a wide selection of autobiographies were received locally as well as in France but also juxtaposes reception by the colonized and the colonizer to show how different meanings were assigned to the works after publication Sankara's geographical and cultural coverage of Africa and its diaspora is rich with separate chapters devoted to the autobiographies of Hamp t B Valentin Mudimb Kesso Barry Patrick Chamoiseau Rapha l Confiant and Maryse Cond The author combines close

reading reception study and postcolonial theory to present an insightful survey of the literary connections among these autobiographers as well as a useful point of departure for further exploration of the genre itself of the role of reception studies in postcolonial criticism and of the stance that postcolonial francophone writers choose to take regarding their communities of origin Modern Language Initiative *The Power of Middle School* Keen J. Babbage, 2012-09-14 The middle school years are a maze of academic duties human growth and self development discovering self identity and increasing social interaction with other people This maze can be an adventure of achievement and opportunity or it can be a struggle of difficulty and disappointment As these experiences are the impetus or foundation for many later achievements in academics careers and personal life it is imperative that educators maximize these formative years by helping middle school students successfully travel through this maze despite its ups and downs its twists and turns and its new challenges to master and the old issues to resolve For instance educators must support students who have fallen behind so as to thwart their reduced likelihood of turnaround in high school Likewise educators must challenge exceptional students in order to perpetuate their enthusiasm for learning and prepare them for college studies By discussing the comprehensive roles and duties of school administrators counselors and teachers *The Power of Middle School* addresses how to maximize middle school curriculum and extra curricular activities for the academic personal and professional benefits of all students *Between Illusionism and Anti-Illusionism* Marek Pawlicki, 2014-07-03 *Between Illusionism and Anti Illusionism Self Reflexivity in the Chosen Novels of J M Coetzee* takes as its premise J M Coetzee s distinction between illusionism and anti illusionism the realist and the self reflexive traditions in prose fiction The aim of this critical study is to demonstrate that these two traditions are not opposed but rather complementary to each other and enrich the novel as a genre Based on Marek Pawlicki s doctoral thesis the book is a detailed analysis of Coetzee s oeuvre paying particular attention to the impact of the writer s literary essays on his fiction Insofar as it looks into the ways in which Coetzee s work as a critic has affected his novels this book deals with the relation between fiction and literary criticism Chapter One is an introduction into the topic of self reflexivity Chapters Two to Five devoted to *Dusklands* *In the Heart of the Country* *Age of Iron* and *Summertime* are concerned with the issue of subjectivity in confessional discourse and the boundary between fiction and autobiography Chapters Six to Eight concentrating on *Foe* *Slow Man* *The Master of Petersburg* and *Elizabeth Costello* offer insight into Coetzee s views on literary creation and the role of the writer in society *Between Illusionism and Anti Illusionism* also examines intertextual references in Coetzee s novels to the works of Tolstoy Dostoevsky Kafka and Beckett *Introduction to Interdisciplinary Studies* Allen F.
