## Samson's Gift:

Traveling Companion Art DeArmond, 2011-05-09 A Pirate Monk tells stories of his journey and suggests questions for readers to consider as they pursue a safe place to be both honest and known Art is a grizzled veteran of the Samson Society a man with a fund of wisdom to impart and plenty of stories to tell I m sure you will find his company delightful as you make your way through this book which is Art s latest gift to his brothers Nate Larkin from the Foreword **Samson, the Nazarite** Roderick Levi Evans, 2010-11-07 In this book we will explore the life of Samson the Nazarite Samson was known as God s strong man He possessed great physical strength through the Spirit of the Lord He judged Israel for twenty years However his life and ministry ended early due to personal character flaws Believers can learn from his mistakes and emulate his successes *A Poem from the Bible. Samson* Samson (Judge of Israel.), 1871 Samson Margaret Macmillan (Author of Samson.), 1900\* *Lion's Honey* David Grossman, 2011-01-21 A consideration of one of the Bible s most powerful stories from a leading Israeli writer In this fascinating reexamination of the story of Samson David Grossman goes beyond the surface of the familiar tale to look into what the life of this extraordinary man must have been like What it felt like to have been chosen to release his people from the yoke of the Philistines and yet alienated from them by his very otherness what moved him to his acts of wild vandalism and his self destructive passions why he chose to keep some things secret but not the most significant secret of all We are left with the troubling knowledge that Samson bore too heavy a burden even for a man of his supernatural strength to bear alone There are few other Bible stories with so much drama and action narrative fireworks and raw emotion as we find in the tale of Samson the battle with the lion the three hundred burning foxes the women he bedded and the one woman that he loved his betrayal by all the women in his life from his mother to Delilah and in the end his murderous suicide when he brought the house down on himself and three thousand Philistines Yet beyond the wild impulsiveness the chaos the din we can make out a life story that is at bottom the tortured journey of a single lonely and turbulent soul who never found anywhere a true home in the world whose very body was a harsh place of exile For me this discovery this recognition is the point at which the myth for all its grand images its larger than life adventures slips silently into the day to day existence of each of us into our most private moments our buried secrets from David Grossman s introduction to *Lion's Honey* **The Samson Story** Shaul Bar, 2018-06-15 Love seduction betrayal violence riddles and myth all find their place in the biblical story of Samson Samson is the last of the judges with 20 percent of the book devoted to him more than any other judge From the beginning Samson is unlike any other judge which the author suggests when narrating Samson s birth Samson is destined even before his birth to deliver Israel He doesn t lead his people into battle he acts alone his battles are personal vendettas Samson fights with a lion defeats the Philistines with the jawbone of an ass captures foxes sets Philistine fields on fire and carries the Gates of Gaza on his shoulders So what stands behind these stories Was Samson a mythological hero like Hercules and Gilgamesh Like other men in the Hebrew Bible Samson can t resist

foreign women Time after time he follows Philistine women who eventually betray him Samson is defeated not by physical strength but by the powers of seduction making this story a tragedy Who were these women and how did they defeat Samson Readers of this volume will rediscover Samson and better understand his achievements and failures This study will afford a provocative and useful insight into the character of Samson     **The Birth of Samson** Beverly J. Leslie,2007     **Samson** Pierre VEBER,1925     **Make Your Mark** Brad Gray,2014-08-19 Your decisions matter You've been created to live a great story and leave a dent in this universe Wrestling with our calling in life is a fundamental struggle for just about everyone Who are we supposed to be How are we supposed to live What are we supposed to do These are all questions many of us grapple with Surprisingly the Samson narrative is one of the most instructive stories for helping us answer these questions Often touted as a story about muscles testosterone and seduction there is so much more to this ancient account Employing all the best tools for interpreting the Bible today Brad Gray unpacks the Samson story anew giving us fresh insights into the universal callings of those desiring to live out God's fullest design for life Perfect for personal and small group study Make Your Mark will reignite your sense of purpose and stretch your faith so you can find the next step on the journey towards your calling With passion humor and skill Brad shows us how we can get right what Samson got wrong in order to flourish in our humanity to make the most of the lives we've been given and to leave a positive mark on our world It's time to make your mark Learn more and find a FREE Discussion Guide at [www.WalkingTheText.com](http://www.WalkingTheText.com)     **Samson** Pnina Galpaz-Feller,2006 The author examines many aspects of the unique figure of Samson as the chosen of God destined to save the Israelites but dies with the Philistines as a promising leader whose leadership fails as a dissolute Nazirite as a powerful man who is however ruled by and succumbs to his women     **Remarks on Samson, as a type of Christ** Samson (Biblical judge),1862     **The Story of Samson** Samson (Biblical judge),1910\*     **The History of Samson** Samson (Biblical judge),1797\*     **Samson Xfile** Ruthven Roy,2014-10-10 His father and mother did not know that this was from the Lord for he was seeking a pretext to act against the Philistines Judges 14 4 NRSV It is most alarming that this ignorance was not only the misfortune of Samson's parents and his people Israel but it is also reflected in the Christian tradition This tradition has perpetuated an incorrect promiscuous view of this hero of faith by failing to consider the gracious outworking of God's peculiar providence and sovereign will Truly this unconventional masterpiece is filled with surprising truth packages that prompt faith and bring fresh hope to life In this volume Dr Roy takes you into a very intriguing journey through the window of this X file Judges 14 4 to unveil the wonderful workings of God's mysterious purpose in the life of his childhood hero Samson You will be greatly amazed as he was when you come face to face with yourself in the life of Samson There you will discover that God's guiding providence is able to work out and through all situations the Xfile in your life for your present and eternal good and His glory     **Samson** James L. Crenshaw,1978     **The Story of Samson** Paul Carus,1907     **Samson, Strong and Faithful** Michelle Medlock Adams,2015-01-06 God had set Samson apart before he was born Throughout his life Samson was well known for

his amazing physical strength But Samson had weaknesses that lead to his downfall Children learn from this book that real strength cannot be measured by our physical abilities but by God s purpose for us      **Samson and the Liminal Hero in the Ancient Near East** Gregory Mobley,2006-08-21 The primary problem that Mobley s book deals with is the odd character of Judges 13 16 and of its hero Samson s special quality noted by virtually all interpreters is defined here as liminality The liminal situation which includes a movement away from society the lack of social restraints and the status of outsider is a permanent condition for Samson The secondary purpose of this book is to demonstrate the ways in which the Samson saga which is often compared to the Greek Heracles tradition makes use of ideas about wild men and warriors found in other biblical and Mesopotamian stories      **Samson the Modern-Day America** Stephen R. Williams,2018-08-31 Most people are familiar with the story of Samson the only man to hold incredible strength in the Bible Born to dedicate a life of service to the Lord he was ordained by God to be a Nazarite and destined to judge and rule the Philistines Similar to Samson America was born to serve God When settlers arrived there were rules and requirements to follow which were Gods rules and laws Prayer was openly practiced and Gods commandments were observed and became a part of ordinary life But now were walking away from Jesus and doing things our own way We are not growing or maturing spiritually and we are making a rotten mess of our lives and of our nationjust like when Samson made a rotten mess of his life for God and his nation Many pulpit speakers think that Samsons big sin or weakness was women but the author argues it was really the sin of always thinking about himself Its not too late to rediscover a godly life and save ourselves by studying and learning from the life of Samson

**The Samson Code** Michael Moyes,2010-07-11 The Samson Code investigates the biblical Samson to reveal its astronomical origins and prove the theories of Dr Immanuel Velikovsky Although the story may be fictional it is well placed within our Bibles for a divine reason The impetuous brawling hero gives us a grand key for interpreting many Bible prophecies based upon the stars
