Effective Negotiations in easy steps Tony Rossiter, 2013-12-17 To negotiate to confer with others in order to reach a compromise or agreement That's the dictionary definition It's something we do every day like it or

not We can't avoid it It doesn't have to involve contracts or business deals It might just mean agreeing a deadline for the task you're working on sorting out office accommodation or equipment for a new member of staff or talking to your boss about your vacation plans Discussions of this kind may not be thought of as negotiations But often in order to arrive at a solution all the interested parties can accept you need to settle for less than you would ideally like You need to give and take in other words to negotiate Negotiations don't have to be formal exchanges with a set agenda conducted around a table They can be formal or informal internal with colleagues in your own organization or external bilateral involving just one other party or multi party They come in all shapes and sizes They can take a couple of minutes or a couple of months Whether you have to negotiate contracts you're in sales and have to negotiate with customers or your organization has overseas interests and you're involved in international negotiations the principles and techniques of effective negotiation apply to all of these scenarios Effective Negotiations in easy steps will show you how in the familiar In Easy Steps style with clear and easy steps and explanations colour illustrations and hot tips
