**Sorcery Rising** Jude Fisher, 2014-11-20 From the barren isles of the North come the Eyrans Hardy seafaring folk From the South come their old enemies the Istrians Slave owners who drove the Eyrans from their lands And from all over Elda come the nomadic peoples the Footloose purveyors of charms and until now harmless potions But whence comes the sorcery that disrupts the annual Allfair at which they all gather Katla Aransen and her family have sailed to the fair to trade their goods The Vingo clan have travelled from Istria to purchase a bride for their appalling eldest son Tycho Issian has come to sell his daughter to the highest bidder King Ravn Asharson Stallion of the North seeks a political alliance while others seek his downfall For centuries Elda has been bereft of magic but this year something has changed A mysterious force is abroad once more and it will change the world forever

**Fool's Gold** Jude Fisher, 2003 The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
