*The Video Games Guide* Matt Fox,2013-01-17 The Video Games Guide is the world s most comprehensive reference book on computer and video games Presented in an A to Z format this greatly expanded new edition spans fifty years of game design from the very earliest 1962 s Spacewar through the present day releases on the PlayStation 3 Xbox 360 Wii and PC Each game entry includes the year of release the hardware it was released on the name of the developer publisher a one to five star quality rating and a descriptive review which offers fascinating nuggets of trivia historical notes cross referencing with other titles information on each game s sequels and of course the author s views and insights into the game In addition to the main entries and reviews a full color gallery provides a visual timeline of gaming through the decades and several appendices help to place nearly 3 000 games in context Appendices include a chronology of gaming software and hardware a list of game designers showing their main titles results of annual video game awards notes on sourcing video games and a glossary of gaming terms

*Japanese Culture Through Videogames* Rachael Hutchinson,2019-05-28 Examining a wide range of Japanese videogames including arcade fighting games PC based strategy games and console JRPGs this book assesses their cultural significance and shows how gameplay and context can be analyzed together to understand videogames as a dynamic mode of artistic expression Well known titles such as Final Fantasy Metal Gear Solid Street Fighter and Katamari Damacy are evaluated in detail showing how ideology and critique are conveyed through game narrative and character design as well as user interface cabinet art and peripherals

This book also considers how Japan has been packaged for domestic and overseas consumers and how Japanese designers have used the medium to express ideas about home and nation nuclear energy war and historical memory social breakdown and bioethics Placing each title in its historical context Hutchinson ultimately shows that videogames are a relatively recent but significant site where cultural identity is played out in modern Japan Comparing Japanese videogames with their American counterparts as well as other media forms such as film manga and anime Japanese Culture Through Videogames will be useful to students and scholars of Japanese culture and society as well as Game Studies Media Studies and Japanese Studies more generally The Minds Behind PlayStation Games Patrick Hickey, Jr.,2022-09-29 Featuring interviews with the creators of 43 popular video games including Spyro the Dragon Syphon Filter NFL GameDay 98 and Final Fantasy VII this book gives a behind the scenes look at some of the most influential and sometimes forgotten titles of the original PlayStation era Interviewees recall the painstaking development challenges of working with mega publishers and uncertainties of public reception and discuss the creative processes that produced some of gaming s all time classics
