Boozehound Jason Wilson,2010-09-21 While some may wonder Does the world really need another flavored vodka no one answers this question quite so memorably as spirits writer and raconteur Jason Wilson does in Boozehound By the way the short answer is no A unique blend of travelogue spirits history and recipe collection Boozehound explores the origins of what we drink and the often surprising reasons behind our choices In lieu of odorless colorless tasteless spirits Wilson champions Old World liquors with hard to define flavors a bitter and complex Italian amari or the ancient aromatic herbs of Chartreuse as well as distinctive New World offerings like lively Peruvian pisco With an eye for

adventure Wilson seeks out visceral experiences at the source of production visiting fields of spiky agave in Jalisco entering the heavily and reverently guarded J germeister herb room in Wolfenb ttel and journeying to the French Alps to determine if mustachioed men in berets really handpick blossoms to make elderflower liqueur In addition Boozehound offers more than fifty drink recipes from three riffs on the Manhattan to cocktail geek favorites like the Aviation and the Last Word These recipes are presented alongside a host of opinionated essays that cherish the rare uncover the obscure dethrone the overrated and unravel the mysteries of taste trends and terroir Through his far flung intrepid traveling and tasting Wilson shows us that perhaps nothing else as entwined with the history of human culture is quite as much fun as booze     *Learning JavaScript* Shelley Powers,2008-12-16 If you re new to JavaScript or an experienced web developer looking to improve your skills *Learning JavaScript* provides you with complete no nonsense coverage of this quirky yet essential language for web development You ll learn everything from primitive data types to complex features including JavaScript elements involved with Ajax and dynamic page effects By the end of the book you ll be able to work with even the most sophisticated libraries and web applications Complete with best practices and examples of JavaScript use this new edition shows you how to integrate the language with the browser environment and how to practice proper coding techniques for standards compliant websites This book will help you Learn the JavaScript application structure including basic statements and control structures Identify JavaScript objects String Number Boolean Function and more Use browser debugging tools and troubleshooting techniques Understand event handling form events and JavaScript applications with forms Develop with the Browser Object Model the Document Object Model and custom objects you create Learn about browser cookies and more modern client side storage techniques Get details for using XML or JSON with Ajax applications *Learning JavaScript* follows proven learning principles to help you absorb the concepts at an easy pace so you ll learn how to create powerful and responsive applications in any browser     **Sips Through the Ages: History and Art of the Cocktail** Bernhard Fritz-Krockow,2021-10-31     **How to Eat Like a Republican** Susanne Grayson Townsend,2007-12-18 This is part cookbook part how to for non Republicans part payback Thanks Mom for all the swell tricks with Lipton Onion Soup Mix and part sheer revenge as in for one horrifying night when the author was invited to dinner by a coven of Democrats under the pretext of eating a decent whole roasted prime tenderloin and was cruelly served a whole roasted baby tuna Her date a Republican fish hater a Republican redundancy by the way see Chapter 3 Fish memorably reacted by getting dead drunk and passing out at the table with his face in the tuna This capriciously organized collection of the kinds of homey recipes Republicans grow up on pays little regard to attribution since in the words of the author Nobody ever remembers where the recipe originally came from anyway
