## **Southern And Eastern Asia Unit Test Cheat:**

**Defence and Decolonisation in South-East Asia** Karl Hack, 2013-12-16 This book explains why British defence policy and practice emerged as it did in the period 1941-67 by looking at the overlapping of colonial military economic and Cold War factors in the area. Its main focus is on the 1950s and the decolonisation era but it argues that the plans and conditions of this period can only be understood by tracing them back to their origins in the fall of Singapore. Also it shows how decolonisation was shaped not just by British aims but by the way communism, communalism and nationalism facilitated and frustrated these.
