Ocean of Love, or Sea of Troubles? Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives

Orange Moments is the true story of the tragic death of Laura s eleven year old son and how she was able to lean into God rather than turn away at a time when there were no answers and explanation for how or why God let it happen On a typical Sunday afternoon following morning mass the day after Tristan s eleventh birthday party Laura and her husband found themselves living their worst nightmare Laura and her husband kept their boys safe as parents it was their top priority and responsibility After years of swimming lessons wearing helmets setting boundaries on the driveway so as to not go into the street and discussing rules about not talking to strangers or wandering off they had not prepared for this A must read if you have ever found yourself in a situation that has left you broken in a thousand pieces on the floor asking God Why Laura states It s not if it s when something like this happens to you We all have family and friends we love and death is inevitable Laura claims her faith is the single most important reason why she s still standing and encourages her readers to develop a relationship with Christ for endurance and perseverance Overcome with grief Laura s writing is honest vulnerable and raw

As people made in the image of God we are entrusted to look after what he has created to share in God's joy and ingenuity in making a difference for good. Ruth Valerio imaginatively draws on the Days of Creation Genesis 1 as she relates themes of light, water, land, the seasons, other creatures, humankind, Sabbath rest, and resurrection hope to matters of environmental, ethical, and social concern. Voices from around the world are heard throughout, and each chapter ends with discussion questions and a prayer to aid action and contemplation.

Trust Without Borders Pamela J. Alexander, 2016-05-23

In 1980 Pamela Alexander and her husband Jimmy felt led by God to open a bed and breakfast and were led to Psalm 37 within a short time of that calling. Through this passage they learned how to wait upon the Lord and how best to prepare and build a B B. Meanwhile they trained in the art of hospitality and grew in His wisdom. Thirteen years later they opened the Alexander Bed Breakfast Acres. ABBA Trust without Borders presents an exploration of Psalm 37. In this study Pamela examines how God wants us to trust Him with all of our being, showing that when we worship Him in that obedience He blesses us abundantly with joy and peace. She reveals that trust is our gift back to God and that He is pleased by the beauty of a trusting heart and that trust demonstrates the meaning of living by grace rather than works. She also considers these questions: Is it trust only when we get our way? How do trust and entering His rest come together? Why is gratefulness a foremost quality of a trusting follower of Christ? Join Pamela in fellowship and in study of God's Word and learn how to trust God with everything and every need of your life.
