Political Economy of the Spanish Miracle Diego Ayala,2023-12-05 In the 1950s and 1960s Spain underwent one of the most rapid processes of economic development the world had ever seen Most existing analyses of this process explain the Spanish

Miracle as a product of the unleashing of market forces and of changes in economic policy made by the Franco regime in the 1950s Political Economy of the Spanish Miracle provides an alternative explanation of Spanish economic development analyzing the Miracle from an interdisciplinary political economy perspective that treats capitalist growth as a complex and dynamic interaction between capitalists workers and the state The Spanish Miracle is linked to changes in Spanish society produced by the Spanish Civil War to the class structure of the regime brought to power by that Civil War and to the interaction between domestic social struggles under the Franco regime and Spain s insertion into the international political economy of the Cold War capitalist world Ambitious in scope Political Economy of the Spanish Miracle both revises conventional understandings of Spanish economic growth and situates Spain within comparative discussions of development in the twentieth century This book will be of great interest to readers in political economy economic sociology historical sociology and Spanish and European history more broadly

Interaction in Paired Oral Proficiency Assessment in Spanish

Ana Maria Ducasse, 2010

Defining the construct of interaction for paired assessment purposes has been difficult despite the evolution of our view of language to include the social perspective of co-construction.

and the fact that such discourse is increasingly taught and assessed In this volume three sequenced studies define interaction in paired oral assessment through the verbal protocols of learners of Spanish and their assessors Assessors then scale performances from videoed test performance data resulting in the development of an evidence based rating process which includes non verbal interpersonal communication interactive listening and interactional management Data Representativity and Granularity in Spanish Syntax Iván Ortega-Santos,2024-04-26 Data Representativity and Granularity in Spanish Syntax focuses on the dialogue between Generative Grammar Variationism and experimental linguistics with a unique emphasis on Spanish linguistics Combining formal syntax and empirical data collection this volume analyzes and compares various data collection methods in syntactic theory and examines a wide variety of approaches to gain novel insight in this emerging area Through the case study of subject properties in Spanish with an emphasis on how differences in data collection and data analysis standards may shape our perception of the object of study this book addresses the following questions a How do the data gathered through the standard methodology in each discipline diverge if at all and why and b What kind of research questions can be answered with the standard methodology in each field The volume argues for methodological crosspollination to avoid forcing data to conform to field specific expectations and to appreciate language variation for what it has to tell us about linguistic theory marrying the goals of Generative Grammar with data driven research This is an essential resource for researchers in the area of formal and generative syntax linguists with an interest in data collection standard in syntax and graduate or advanced undergraduate students in the field of Spanish linguistics Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Research on Politeness in the Spanish-Speaking World** Maria Elena Placencia,Carmen Garcia-Fernandez,2017-09-25 One of the main contributions of this important book is that it offers a thorough survey of the theoretical and empirical developments that have occurred in the area of im politeness in the different regions of the Spanish speaking world gathering together overviews by distinguished scholars Additionally the book advances the field with new empirical research on linguistic im politeness and silence and im politeness in a range of non institutional contexts as well as new perspectives for the study of im politeness A closing chapter by the editors provides an assessment of salient trends in the area and directions for future research Research on Politeness in the Spanish Speaking World is essential reading for students in Spanish pragmatics and Spanish linguistics sociolinguistics and discourse analysis The volume is also very useful to English speaking scholars in the general field of pragmatics who are not proficient in Spanish but require access to these empirical studies Language Ideologies and the Globalization of 'Standard' Spanish Darren Paffey,2012-09-06 This book examines how language ideologies are manifested in newspaper media Using the Spanish press as a case study it considers how media discourse both from and about the Real Academia Espa ola constitutes a set of language ideological debates in which the institution represents a

vision of what the Spanish language is and what it should be like Paffey adopts a Critical Discourse Analysis approach to a large corpus of texts from Spain's best selling daily newspapers El País and ABC More generally the book sheds light on how institutions produce and maintain visions of standard language in the contemporary context A global language such as Spanish is by nature more widely used outside of the nation state in question than in it The book covers recent research on language ideologies standardization and CDA and considers the application of these to three core discursive themes language unity and a concept of a panhispanic speech community the RAE's construction of its authority and institutional ideologies and management of language on a global scale

Subversive Spanish Cinema Fiona Noble, 2020-07-23 A camp lipsynched routine by three air stewards distracts unsuspecting passengers from the fact that their plane is to make a crash landing Performance functions as a diversion from unsavoury realities In this way Pedro Almodóvar's 2013 film *I'm So Excited* adopts a strategy of subversive anti establishment censor evading filmmaking practices under Franco Contemporary cinematic performance in Spain intersects with politics to provide a platform for views and voices that do not conform to the dominant political narrative An essential text for scholars students and aficionados of Spanish cinema **Subversive Spanish Cinema The Politics of Performance** is the first single authored monograph to focus on performance in this context The book analyses interactions between performance and politics in technical and conceptual terms considering for example performance styles the narrative role of performance and political interventions by actors such as Javier Bardem and Juan Diego Botto Ultimately **Subversive Spanish Cinema The Politics of Performance** posits performance within the specific context of contemporary Spanish cinema as a politically potent device and proposes that it is precisely for this reason that the arts have borne the brunt of aggressive austerity measures enforced by Spain's conservative government in recent years

Spanish Chapter 2 Key: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. Spanish Chapter 2 Key : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Spanish Chapter 2 Key : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
