

## Earth History

## Age of Earth

## Early Indirect Estimates

In the 18<sup>th</sup> and 19<sup>th</sup> centuries, geologists (scientists who study Earth and its history) used indirect methods to estimate Earth's age.

- Geologists examined the amount of sediment a stream deposited in a year to calculate the duration for a stream to deposit an ancient sediment layer.
- British geologist Charles Lyle estimated that the first shelled animals appeared 240 million years ago

In 1892, William Thomson (later known as Lord Kelvin) calculated Earth to be 100 million years old by assuming that it began as a molten ball and cooled off to its current temperature.

In 1896, Thomson's calculation was confirmed to be invalid when radioactivity was discovered, meaning that heat was continuously produced from radioactive elements under Earth's surface.

## Modern Quantitative Analysis

Understanding radioactivity has allowed scientists to date Earth materials such as rocks

from Earth's crust and meteorites that are known to have formed at the same time as Earth. By considering the age of rocks and fossils, scientists created a timeline of geological history of 4.6 billion years.

## Concept Check

- How did 18<sup>th</sup> century geologists estimate Earth's age?
- How do modern scientists evaluate Earth's age?

## Study Tip

Make a timeline that shows the evolving method of how geologists estimated the age of the earth.

*Evidence for an early Earth is found in rocks. By examining the radioactive elements within rocks, geologists are able to predict the age of the Earth. Diagrams such as these can be constructed from the evidence gathered.*

Scantlebury,2023-07-31 From the onset Apostle Scantlebury presents the tenets of his tome by eloquently contrasting the two dimensions of Faith 1 where we use our Faith to acquire and believe God for new things and victories in Him and 2 where we use that same Faith to resist and battle against all odds that is thrown at us After defining the elements of faith Apostle Michael empowers us with the tools to increase our faith Our knowledge of God and the application of what we know It s not enough to know what the Word of God says What produces real faith is displayed when our actions match our belief Apostle Scantlebury gives us an accurate understanding of the benefits of our trials Contrary to our Westernized belief Faith and trials are mutually inclusive We are encouraged to keep trusting God despite the opposition Trusting God then becomes the substratum of having a pleasant relationship with Him **Exploring the Secrets of Hidden Wealth** Michael

Scantlebury,2025-02-01 This masterpiece has been quite controversial in some quarters the subject of finances in the Kingdom In his usual straight forward but yet biblical approach Apostle diligently explained the parables of Jesus in view of provisions delving into a strong theological framework for stewardship and how to form relevant partnership for wealth which is an effective interaction with the world system for material advance and contentment as a Kingdom virtue This book served to fuel in us an even deeper personal search into God s intention for wealth among His people It provides a unique perspective on God s heart towards us and His empowering ability through resources to bring His purpose to pass Exploring the Secrets of Hidden Wealth is a revelatory guide to understanding the power purpose and stewardship of money The

Restoration of Zion Michael Scantlebury,2019-08-16 When you hear the word Zion what comes to mind As Christians we ve sung the choruses and the hymns about Zion or Mount Zion but do we fully understand just what we re singing about Do we know what it is The Bible promises the full restoration of Zion and if we don t fully know what Zion is what then do we anticipate in terms of its restoration The greatest hindrance to accurate interpretation and application of Scripture is a futuristic view of Scripture This futuristic view continues to rob the Believer of experiencing God in His fullness in the here and now In this book we will uncover within the Scriptures exactly what Zion actually represents to the New Testament believer So lay down any preconceived ideas you may have delve into the pages of this book and let it speak truth to you
