Study Guide To Ephesians:

Ephesians Bible Study Guide plus Streaming Video Lori Wilhite, 2021-07-27 Ephesians was written to remind us who we are. It's about refamiliarizing ourselves with our identities in Christ so that we don't have to live under the crushing weight of heartache and disappointment. In his letter to the church in Ephesus, Paul gives us beautiful insight into the Lord's redemptive power. In this six-session video Bible study, video streaming included, Lori Wilhite draws on her experience as the pastor's wife of a large congregation to share the truth of what Paul tells the Ephesians about identity, unity, and the impact these things have on our hearts, our focus, and our love for God. Too often, our shoulders slump under the weight of family struggles, financial stress, and feelings of insecurity. We are pushed down by insignificance, insecurity, and an overwhelming sense of powerlessness and discouragement. You are not meant to be under that burden any longer. You are a chosen child of God, saved by His grace, forgiven, and free. In the Ephesians Study Guide, you'll learn how the book of Ephesians reveals what God has done, is doing, and will continue to do so that you can walk confidently in Him with head held high. Ephesians: An Introduction and Study Guide Stephen E. Fowl, 2017-01-12 In this guide, Stephen E. Fowl introduces students to both theological fruit and critical issues of the letter to the Ephesians. On the theological front, Fowl shows how Ephesians offers an unparalleled cosmic vision of the significance of the death and resurrection of Jesus, of the role of heavenly powers in the universe, and of how the community of Christians is to engage with those powers. Fowl also opens up the major identity questions Ephesians shows existed for early Christians: how to conceive the relationship of Gentiles with the Jews from among whom their faith emerged, and how to live as a Christian within households ordered on patriarchal lines while not capitulating to patriarchy. On the critical front, Fowl provides an introduction to the key critical questions and issues, such as whether this letter was actually written to a church in Ephesus and whether Paul the apostle was indeed the author of the letter. Yet whilst there are demanding linguistic

historical and cultural questions to be answered Fowl is careful to point out that this should not be done at the expense of reading the text closely and appreciating its meaning and message
