

## History 1301 Exam Questions and Reading Assignments

**Read:** Chapters 1-3 in *America* (stopping at page 54) or Chapters 1-3 (stopping at page 71) in *Unto a Good Land*. This reading assignment trumps the syllabus.

### Exam Questions:

1. Imagine it is the year 1525 and you are a chieftain in a vassal Indian tribe in Mexico. Your life has changed spectacularly in the last six years. What was life like prior to the Spanish arrival? How would you describe the arrival of the Spaniards and what are your impressions of them? What are they like? What was the reaction of the Aztecs and how did they fall from power? What is life like now for your people after the collapse of the Aztec empire? **[At points, I would expect you to step out of the roll play narrative and speak as a modern man to augment this answer. Additionally, I would expect names and events inserted into the essay.]**
2. Explain the purposes, peoples, places, and events that mark the Spanish, French, and English exploration and colonization efforts in North America. **[This is a combination of lecture and book, but especially out of *Unto a Good Land*; do not rely solely upon lecture.]**
3. Write a history of the Christian church to the year 1517 **as described in lecture**. Who are threats to it? What major events mark decisive moments in its history? Also, what was life like in the late medieval period for the elite and for the peasant? Explain the concept of the "sacred". How does the church confer the saving grace of Jesus, and how does that translate to veneration of relics, saints, and icon? Theologically, how does the Catholic Church understand the here and now in relation to the hereafter?
4. Write a history of the Protestant reformation from 31 October 1517 going forward. Consider the life, times, beliefs of, and cultural impact (i.e. not strictly religious) of the following Protestant reformers: Martin Luther, John Calvin, John Knox, and William Tyndale. As you develop this essay, consider the impact of Geneva on the story of the English and Scottish Reformation. Lastly, how does Henry VIII and his turbulence effect the church and society in England? **[To properly answer this question, you should consult lecture and *Unto a Good Land*.]**
5. Compare and contrast the Cavaliers of Virginia with the Puritans of Massachusetts. Systematically answer this question about all of the facets of their life and cultures. **[This is almost exclusively a lecture question.]**
