Russell E. Mumford, 1995-08-22 Why do I like soap operas Laura Stempel Mumford asks and her answer emerges in a feminist analysis of soap opera that participates in current debates about popular culture television and ideology She argues that the conventional daytime soap has an implicit and at times explicit political agenda that cooperates in the teaching of male dominance and the related oppressions of racism classism and heterosexism so that they seem inevitable All My Children General Hospital Another World One Life to Live Days of Our Lives The Young and the Restless a close reading of their texts will also answer some larger questions about television and its place in the broad landscape of popular culture

Global Media and Communication Policy P. Iosifidis, 2011-08-26 Petros Iosifidis addresses an increasingly prominent subject area in the field of media and communications and one that has attracted increased attention in areas such as sociology economics political science and law global media policy and regulation Specifically he considers the wider social political economic and technological changes arising from the globalization of the communications industries and assesses their impact on matters of regulation and policy By focusing on the convergence of the communication and media industries he makes reference to the paradigmatic shift from a system based on the traditions of public service in broadcast and telecommunications delivery to one that is demarcated by commercialization privatization and competition In doing so Iosifidis tackles a key question in the field to what extent do new media developments require changes in regulatory philosophy and objectives It considers the various possible meanings of the public interest concept in exploring the different regulatory modes and the interplay between the local and the global in policy making **Social TV** Mike Proulx, Stacey

Shepatin, 2012-01-26 The Internet didn't kill TV It has become its best friend Americans are watching more television than ever before and we're engaging online at the same time we're tuning in Social media has created a new and powerful backchannel fueling the renaissance of live broadcasts Mobile and tablet devices allow us to watch and experience television whenever and wherever we want And connected TVs blend web and television content into a unified big screen experience bringing us back into our living rooms Social TV examines the changing and complex television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities Social TV topics include Leveraging the second screen to drive synched and deeper brand engagement Using social ratings analytics tools to find and target lean

Congress. House. Committee on Interstate and Foreign Commerce, 1966 *Hearings* United States. Congress. House, 1965 Electronic Media Criticism Peter B. Orlik, 2001 Given the prominence of the electronic media in the 21st century it is crucial that both media professionals and consumers know how to decipher and evaluate media content the assumptions on which that content is based and the constraints to which it is subject Electronic Media Criticism offers a variety of critical approaches to audio and video discourse Rather than restricting itself to one perspective the book applies key aesthetic sociological philosophical psychological structural and economic principles to arrive at a comprehensive evaluation of both programming and advertising content Maintaining the approach of the original volume this second edition includes updated chapters to reflect the current media world including sample reviews and illustrations material pertaining to new media because the book is process oriented rather than medium oriented Internet

referents are interspersed in discussion of the various critical perspectives two additional scripts for critical analysis an episode of The Simpsons and an installment of the dark Canadian comedy The Newsroom and new exercises for further practice in applying critical procedures Orlik interweaves the insights of industry and academic authorities recognizing that both orientations are essential in the development of a valid and viable critical outlook Written for media students and practitioners all readers of this volume will gain feasible and flexible tools for focused and rational analysis of electronic media products as well as improved understanding of the role and essential ingredients of criticism itself Magazine Jeff Jarvis, 2023-10-05 Object Lessons is a series of short beautifully designed books about the hidden lives of ordinary things For a century magazines were the authors of culture and taste of intelligence and policy until they were overthrown by the voices of the public themselves online Here is a tribute to all that magazines were from their origins in London and on Ben Franklin's press through their boom enabled by new technologies as creators of a new media aesthetic and a new mass culture into their opulent days in advertising supported conglomerates and finally to their fall at the hands of the internet This tale is told through the experience of a magazine founder the creator of Entertainment Weekly at Time Inc who was also TV critic at TV Guide and People and finally an executive at Cond Nast trying to shepherd its magazines into the digital age Object Lessons is published in partnership with an essay series in The Atlantic *Congressional Record* United States. Congress, 1992

Future Wealth Francis McInerney, Sean White, 2000-03-22 The American economy has been turned upside down during the past decade in one of the most tumultuous economic revolutions in world history The result the United States has put more distance between itself and its commercial rivals than anyone imagined possible Annual growth in the U S economy matches the size of whole countries The Dow Jones Industrial Average has reached once unthinkable heights Three quarters of the world's top fifty companies are now American In *Future Wealth* a superbly researched book the authors provide a startling new way of looking at America's success The reason for our exceptional performance is the breathtaking pace at which U S companies today substitute information for all other resources at their disposal The authors explore major companies that have substituted information throughout their operations They also show how the results have been dramatic in those companies expanded bottom lines and rising stock valuations and how investors can both learn and profit from the information revolution around us *Future Wealth* is a landmark book and a very timely read for investors managers and policy makers the world over *War on the Middle Class* Lou Dobbs, 2006 A prominent CNN host and commentator identifies the ways in which middle class Americans are being rendered vulnerable by political groups large corporations and sensational media practices that are compromising middle income health care educational resources and employment opportunities 75 000 first printing **Official Gazette of the United States Patent and Trademark Office**, 2002 New York Magazine, 1993-12-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography
