When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Death Row, Texas**

Michelle Lyons, 2018-11-27 Tells the story of a traumatic life spent witnessing hundreds of people being executed in Texas most infamous prison Daily Beast I can t remember his name or his crime What I remember is the nothingness No family members no friends no comfort Maybe he didn t want them to come maybe they didn t care maybe he didn t have any in the first place It was just a prison official and two reporters including me looking through the glass at this man strapped fast to the gurney needles in both arms staring hard at the ceiling When the warden stepped forward and asked if he wanted to make a last statement the man barely shook his head said nothing and started blinking That s when I saw it a single tear at the corner of his right eye A tear he desperately wanted to blink away a tear he didn t want us to see It pooled there for a moment before running down his cheek The warden gave his signal the chemicals started flowing the man coughed sputtered and exhaled A doctor entered the room pronounced the man dead and pulled a sheet over his head Michelle Lyons from the Prologue Michelle Lyons witnessed nearly 300 executions at the Texas State penitentiary This haunting dark and hard to put down behind the scenes look at those final moments of life relates shocking true stories of the inmate his her family members prison officials the death row chaplain and the victim s loved ones all of whom come together in the death chamber Houston Chronicle **How We Saved Texas Prison Chaplaincy 2011** Michael G. Maness, 2015-10-16 As Maness so forcefully

presents religion is truly the greatest source for change in human history and our staff chaplains facilitate that Likewise we came to see there would be little true cost savings in that some staffer would have to take care religion in prison its a right after all and manage the good volunteers Jerry Madden Senior Fellow Right on Crime Right on Crime org House Committee on Corrections Chairman 2011 12 It seemed like all was lost Dr Keith Bellamy Senior Minister Woodville Church of Christ TDCJ Certified Volunteer Chaplain 15 plus years Take a ride through Maness book and learn firsthand about reducing crime rehabilitating lives making our streets safer and bringing hope to the least the last and the lost just like Jesus commanded The chaplain of the prison brings hope and light in what can be a dark and stressful place all the more reason we need them Carol S Vance Former Chairman Texas Board of Criminal Justice Harris County District Attorney 1966 79 Every TDCJ chaplain and every chaplaincy manager owe the existence of their jobs to the efforts of a few unique individuals who rallied many to seek help from Texas senators and representatives Frank Graham Founder Chapel of Hope org Politically the TDCJ chaplaincy was doomed God used the courage of one man to turn that situation around Thank you Chaplain Michael Maness for preserving this magnificent piece of important religious history Dr Paul W Carlin LBT Ph D TheMinistryChurch org

Death Row: The Final Minutes Michelle Lyons, 2018-05-03 IN 12 YEARS MICHELLE LYONS WITNESSED NEARLY 300 EXECUTIONS First as a reporter and then as a spokesperson for the Texas Department of Criminal Justice Michelle was a frequent visitor to Huntsville s Walls Unit where she recorded and relayed the final moments of death row inmates lives before they were put to death by the state Michelle was in the death chamber as some of the United States most notorious criminals including serial killers child murderers and rapists spoke their last words on earth while a cocktail of lethal drugs surged through their veins Michelle supported the death penalty before misgivings began to set in as the executions mounted During her time in the prison system and together with her dear friend and colleague Larry Fitzgerald she came to know and like some of the condemned men and women she saw die She began to query the arbitrary nature of the death penalty and ask the question do executions make victims of all of us An incredibly powerful and unique look at the complex story of capital punishment as told by those whose lives have been shaped by it **Death Row The Final Minutes** is an important take on crime and punishment at a fascinating point in America s political history **There Is a Balm in Wichita Falls** T. Carlos Anderson, 2024-08-08 What would it be like to recover from a hideous attack What would it be like to sort out your life after the senseless murder of a loved one Rage and yearnings for revenge naturally beckoned for this book s two female victims Each woman however eventually takes a road less traveled Journey with Ellen and Linda as they work on recovery and healing from the worst types of physical and emotional trauma This true story will captivate you with its twists and turns inspire you as its protagonists seek justice and surprise you with its unforeseen ending Written in page turning narrative style **There Is a Balm in Wichita Falls** tells a stirring story of restoration from the direst of circumstances *Texas Tough* Robert Perkinson, 2010-03-11 A vivid history of America s biggest baddest prison system and how it came to lead the nation s

punitive revolution In the prison business all roads lead to Texas The most locked down state in the nation has led the way in criminal justice severity from assembly line executions to isolation supermaxes from prison privatization to sentencing juveniles as adults Texas Tough a sweeping history of American imprisonment from the days of slavery to the present shows how a plantation based penal system once dismissed as barbaric became the national template Drawing on convict accounts official records and interviews with prisoners guards and lawmakers historian Robert Perkinson reveals the Southern roots of our present day prison colossus While conventional histories emphasize the North s rehabilitative approach he shows how the retributive and profit driven regime of the South ultimately triumphed Most provocatively he argues that just as convict leasing and segregation emerged in response to Reconstruction so today s mass incarceration with its vast racial disparities must be seen as a backlash against civil rights Illuminating for the first time the origins of America s prison juggernaut Texas Tough points toward a more just and humane future **Report of Investigations** ,1970 **Memories of Broken Dreams**

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
