Tdcj Preservice Training Study Guide:

Tall Walls and High Fences Bob Alexander, Richard K. Alvord, 2020-10-15 Texas has one of the world's largest prison systems in operation for more than 170 years and currently employing more than 28 000 people. Hundreds of thousands of people have been involved in the prison business in Texas: inmates, correctional officers, public officials, private industry representatives, and volunteers have all entered the secure facilities and experienced a different world. Previous books on Texas prisons have focused either on records and data of the prisons, personal memoirs by both inmates and correctional officers, or accounts of prison breaks. *Tall Walls and High Fences* is the first comprehensive history of Texas prisons written by a former law enforcement officer and an officer of the Texas prisons. Bob Alexander and Richard K. Alford chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day, paying special attention to the human side of the story. Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities with reform measures becoming an ever-evolving quest. The complex job of the correctional officer has evolved as well; they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change. Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls, risking their lives and in too many instances giving their lives in a peculiar line of duty most would find unpalatable. Within these pages are stories of prison breaks, bloodhounds chasing escapees, and gunfights. Inside the walls are deadly confrontations, human trafficking, rape, clandestine consensual trysts, and tricks turned against correctional officers. Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin's time in and out of prison. *Tall Walls and High Fences* covers numerous convict escape attempts and successes, including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit. Throughout this long history, Alexander and Alford pay special tribute to the more than 75 correctional officers, lawmen, and civilians who lost their lives in the line of duty.

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 *When Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal Justice, especially in the abuse of religion. In many ways, this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners. The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor, TDCJ Director, and wardens throughout the prison. Therein, TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors. Why is the director sponsoring psychopaths counseling psychopaths? In fact, TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given, and worse, for UTMB generates no reports itself. The underbelly of TDCJ's executive culture of cover-up is exposed. TDCJ has hired the lowest qualified of the applicant pool many times in the last 25

years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Texas Level 3**
