Lepp,2013-11-07 Everyone has mountain and valley experiences In Teach Us Jesus Mountains Valleys Judah and his little sister Daphne are about to encounter their own literally In the valley they will have to learn the importance of listening to Jesus If they don t they may never see the mountaintop Growth Through Scripture 365 Jarod Hubbard,2025-06-02 So when they had eaten breakfast Jesus said to Simon Peter Simon son of Jonah do you love Me more than these He said to Him Yes Lord You know that I love You He said to him Feed My lambs He said to him again a second time Simon son of Jonah do you love Me He said to Him Yes Lord You know that I love You He said to him Tend My sheep He said to him the third time Simon son of Jonah do you love Me Peter was grieved because He said to him the third time Do you love Me And he said to Him Lord You know all things You know that I love You Jesus said to him Feed My sheep John 21 15 17 NKJV I dreamed of success a meaningful life and an influential identity but my home life was dysfunctional As I grew to be an adult I was determined to make a life for myself I tried many times to do things by the rules by the laws but financial hardships led me to a life of crime My life of crime led me to the arms of Jesus while behind prison walls It is only through faith in the son of God my love for God and His Word that I ve been given a chance at a NEW life This new life is spent intimately connecting with God on a daily basis through study meditation and prayer As I seek God daily I receive from Him all I need and I am able to share it with others This is what I call God s way to feed His sheep I myself am growing in Christ more and more as commanded and this is my prayer for all believers to grow in Christ It is the very reason this book of devotions exists And if you give it the chance this devotional can help you start the journey yourselves This journey God leads is one of growth and encouragement From the author *Africa's Mountain Valley* William Augustine Bernard Johnson,1857 **Jesus the**

**Carcass and the Wicked God** Patrick Wangui,2018-10-06 Jesus the Carcass and the Wicked God is the book with the message of the time It reveals to you what you have never thought of or imagined It helps open up your mind and eyes to see what it means to have a rotten system a decaying living humanity a stinking church and a general untrustworthiness of man In this book there s nothing hidden in parables proverbs metaphors or such likes Things are straightforward and in simple language Have you ever thought of Jesus being a carcass yet you know he lives forever or of God being wicked yet you know how good he is all the times Can you at any time challenge God your creator and term the holy books as rubbish Just imagine Judas Iscariot being your savior yet you have a good background on how he betrayed Christ Just explore what you have never seen before **Africa's Mountain Valley; Or, The Church in Regent's Town, West Africa** Maria Louisa Charlesworth,1874 The greater part of the materials for the present volume will be found in a work published three years

**The Courage to Lead** James H. Harris, 2002 This book focuses on pastoral and lay leadership in the African American church It deals with the internal and external issues such as the tendency toward a bifurcated mentality and practice such as the this is business syndrome as well as the social issue of race and affirmative action Ministers and laity in the black church must actively engage themselves in overcoming the inequities that are still endemic to life in urban America Harris affirms that affirmative action policies are more important than ever in obtaining a degree of social justice *ON THE MOUNTAIN OF GOD* Pastor (Rev.) D'eredita, 2012-08 A few years ago my wife of 33 years was diagnosed with breast cancer It was particularly aggressive and she has been gone for a few years now These past few years have brought dramatic changes in my life when this first happened it was the why her why now and I couldn t understand why He would do this I then shunned Him and church I was tempted by the bottle He knew as well as I did if I did jump in I wasn t coming out and did not take it up Around this time words of a pastor friend sounded loud NOW is the easiest time to run from HIM but the best time to run to HIM I pray daily to do His will and to BE OBEDIENT I started to write prayers to Him I was never a writer or even any good at writing He has given me this to give to others I found when I ran to him His arms were already open waiting for me Listening to that small voice when you ask anything in prayer is important it may not be what we want to hear however His will and our obedience to it are important and best for us When I was asked to do this the small voice said this is for someone tonight All I want to do is His will he knows the desires of my heart and as I listed to that small voice I am assured He will show me them On the 14th of November 1970 I was saved As I say these things to you I know I am a man of GOD and love Him As I pray to do His will daily a calm has come into my life I praise him for it If any of these writings touch your heart remember you are not alone and he loves you as he has promised Genesis 28 15 Joshua 1 5 Hebrews 13 5 Isaiah 48 10 *Restored in God's Image* Wayne Clark, 2008-01-31 *Out O' Th' Bushes* Tex Tonroy, 2016-01-22 Out oth Bushes is about discipleship Discipleship is about building growing relationships with God and others As we live our lives as disciples of Jesus we are constantly involved in moving from being natural like the world and the flesh to being spiritual more and more like Jesus How do you teach the mind or attitude of

Jesus You do it one principle at a time one story at a time one shocking experience at a time Christian Nation ,1908  
*Gospel Herald* ,1917 **Herald of Gospel Liberty** Elias Smith,1909 **From the Valley to the Mountain** Jeremiah Oruokoton Moshopeh Pratt,2020-04-30 J O Moshopeh Pratt in his book *From the Valley to the Mountain* encourages and motivates his young friends who might be labeled as drop outs to prove that they are not drop outs Probably they might be slow or late developers or most probably they might not have had people who were capable to discern that they had potentials in them that needs to be developed Parents who have children who are slow in their development process are also encouraged to read this book in order to help their children in the development process rather than push them too fast He discovered that he was in the valley and that was not the place he wanted to be He took steps to travel from the valley up to the mountain He might not have reached the apex of the mountain due to health conditions but at least he is somewhere up there He has come to realize that there will always be valleys in our lives No matter what situation you might be in right now he wants to assure you that armed with his testimony God can still make all things work together for your good God gave him the strength courage power and divine right to change the course of his life to the right direction which leads to the mountain He climbs So must you If he was able to do it you too can do it Stay blessed **Landscape as Sacred Space** Steven Lewis,2005-07-15 Steven Lewis s *Landscape as Sacred Space* Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one s spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God Landscape as Sacred Space is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life s landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery *Annual Conference of the Church of Jesus Christ of Latter-Day Saints* Reorganized Church of Jesus Christ of Latter Day Saints,1900 Vols for 1905 include also the proceedings of the general conference of the Deseret Sunday School Union Friends' Intelligencer ,1862
