

Enjoy Your Retirement

*You worked so hard...for so many years,
Giving everything you had to give.
But now is the time to put yourself first,
To relax, to enjoy, and to live!*

*Take in the song of the birds when you wake,
Get in touch with an old friend or two,
Learn to do something you've not done before,
Find adventure in all that you do!*

*So much awaits you around every bend,
There are so many places to see!
Travel afar...if that is what suits you,
Or read by the shade of a tree.*

*But, never forget, as you go along,
That honestly, right from the start,
All of the moments we shared thru the years.
Left an imprint...right here on my heart!*

Affection and Other Poems Carmelita Ledesma Agnas, 2012-07 I think poetry is the dancing

and singing of words at the back of the brain hoping to get out and be written down When I felt these words struggling I wrote them down It became the poems beautiful and not too appealing to some senses They are the words expressing my thoughts and feelings looking at the focus of the poems words that aim for the soul's perfection but never attained I believed perfection is beyond the human reach C L Agnas **The Buddhist Poetry of the Great Kamo Priestess** Edward

Kamens, 2021-01-19 Senshi was born in 964 and died in 1035 in the Heian period of Japanese history 794-1185 Most of the poems discussed here are what may loosely be called Buddhist poems since they deal with Buddhist scriptures practices and ideas For this reason most of them have been treated as examples of a category or subgenre of waka called Shakkyōka Buddhist poems Yet many Shakkyōka are more like other poems in the waka canon than they are unlike them In the case of Senshi's Buddhist poems their language links them to the traditions of secular verse Moreover the poems use the essentially secular public literary language of waka to address and express serious and relatively private religious concerns and aspirations In reading Senshi's poems it is as important to think about their relationship to the traditions and conventions of waka and to other waka texts as it is to think about their relationship to Buddhist thoughts practices and texts The Buddhist Poetry of the Great Kamo Priestess creates a context for the reading of Senshi's poems by presenting what is known and what has been thought about her and them As such it is a vital source for any reader of Senshi and other literature of the Heian period **International Family Poetry Anthology** Joseph S.
