

An illustration of a roller coaster construction site. In the foreground, a woman wearing a red hard hat and a red shirt is looking at a blueprint on a clipboard. To her right, two men are standing; one is wearing a blue hard hat and a yellow safety vest, and the other is wearing a red hard hat and a grey shirt. They are both holding large sheets of paper. In the background, a red roller coaster track winds through a green landscape. To the left, a yellow roller coaster car is suspended from a track that forms a complex, swirling loop. The sky is blue with a large white cloud. The overall scene suggests a hands-on learning experience related to mathematics and engineering.
